Commentary

Texas Businesses Against Trafficking, the human trafficking prevention business partnership program established under Section 405.023 of the Texas Government Code, recognizes that corporations and private entities can contribute to the efforts of federal, state, and local officials engaged in combatting human trafficking and in prosecuting human trafficking crimes. This application process is designed to identify and recognize those corporations and private entities that have implemented zero tolerance policies toward human trafficking and have taken voluntary steps to promote public awareness of human trafficking.

Any corporation or private entity that engages in a for-profit activity may submit an application for participation in the partnership and for a certificate of recognition. A corporation is defined by rule as a domestic or foreign for-profit corporation, limited partnership, limited liability company, professional association, or cooperative association that is governed under the Texas Business Organizations Code, federal law, or the law of another state or nation. A private entity includes a bank, trust company, savings and loan association, insurance company, railroad company, or other organization that engages in a for-profit activity through its employees.

A certificate of recognition issued to an eligible participating corporation or private entity is valid for three years and can be renewed for an additional term by the participating entity. There is no processing fee for making an application.
