Dear Ms. Richards:

Pursuant to our authority to certify electronic pollbook systems under Election Code 31.014, we have reviewed your request for certification of the Votec VoteSafe 1.3.102 system.

Our office has reviewed your application materials, the testing lab report from Pro V&V showing completion of the Texas Technical Matrix for Electronic Pollbooks, and the completed Texas Functional Matrix for Electronic Pollbooks completed by the examiners from our office. Having reviewed those materials, we have concluded that your system meets the requirements for certification of an electronic pollbook system.

We therefore formally approve the certification of the Votec VoteSafe 1.3.102 system for use in Texas elections.

If you need additional information, please contact the Elections Division toll-free at 1-800-252-2216.

Sincerely,

A handwritten signature in cursive script that reads "Christina Adkins".
