An Attorney General Opinion is a written interpretation of existing law. The Attorney General writes opinions as part of his responsibility to act as legal counsel for the State of Texas. Opinions are written only at the request of certain state officials. The Texas Government Code indicates to whom the Attorney General may provide a legal opinion. He may not write legal opinions for private individuals or for any officials other than those specified by statute. Re: Whether the board of trustees of a public junior college may allow licensed concealed handguns in open meetings of the board of trustees (RQ-0158-KP)

### S U M M A R Y

A license holder who carries a concealed handgun into an open meeting of a junior college district board of trustees in which no Penal Code section 30.06 trespass notice was posted would have a defense to the prosecution of Penal Code subsection 46.035(c).

Though unnecessary within the context of Government Code subsection 411.2031(d-1), a junior college district board of trustees could adopt a rule authorizing concealed handguns in its open meetings to

affirm or publicize a license holder's right to carry the concealed handgun into the open meeting held on the institution's campus.
