

NOTICE TO VOTER WHO MUST PROVIDE IDENTIFICATION

(FOR VOTERS VOTING BY MAIL)

There is an indication on the list of registered voters that you are a registered voter whose driver's license, personal identification or last 4 digits of your social security number could not be verified at the time of registration.

Therefore, you are required to include a copy of one of the following forms of acceptable photo identification when returning your ballot, unless you do not possess and cannot reasonably obtain one of these forms of acceptable photo identification or your Voter Registration Certificate has an "E" notation next to the VUID because you have a permanent exemption to presenting acceptable photo identification or complying with the Reasonable Impediment Declaration procedure in the county: (1) Texas Driver License issued by the Department of Public Safety ("DPS"); (2) Texas Election Identification Certificate issued by DPS; (3) Texas Personal Identification Card issued by DPS; (4) Texas Handgun License issued by DPS; (5) United States Military Identification Card containing your photograph; (6) United States Citizenship Certificate containing your photograph; or (7) United States Passport (book or card). With the exception of the U.S. citizenship certificate, the identification must be current or, for voters aged 18-69, have expired no more than four years before the time the copy is placed in the carrier envelope. A person 70 years of age or older may use a form of identification listed above that has expired if the identification is otherwise valid.

Statement of Reasonable Impediment: If you do not possess one of the forms of acceptable photo identification listed above, and cannot reasonably obtain such identification, you must sign the Statement of Reasonable Impediment on the reverse, and include a copy of one of the following supporting documents when returning your ballot: (1) a certified domestic (from a U.S. state or territory) birth certificate or a document confirming birth admissible in a court of law which establishes your identity (which may include a foreign birth document); (2) a current utility bill; (3) a bank statement; (4) a government check; (5) a paycheck; or (6) a government document that shows your name and an address (which includes your voter registration certificate).

NOTE: The address on the identification presented is not required to match the address recorded in the official list of registered voters.

If your Voter Registration Certificate has an "E" notation next to the VUID because you have a permanent exemption to presenting acceptable photo identification or complying with the Reasonable Impediment Declaration procedure in the county, you are only required to include a copy of that certificate when returning your ballot.

A copy of an acceptable photo identification MUST be enclosed inside your carrier envelope if you possess an acceptable photo identification, a copy of your Voter Registration Certificate with an "E" on it if you have one, or a supporting document and the signed Statement of Reasonable Impediment below if you do not possess an acceptable photo identification and you cannot reasonably obtain one. If your carrier envelope is received without your acceptable photo identification, or your Voter Registration Certificate with an "E" on it, or, if you do not possess an acceptable photo identification and you cannot reasonably obtain one, a supporting document and the signed statement below, your ballot will not be counted, unless you claim one of the exemptions below.
