1. Note on July 14 Primary Runoff Election Day

Pursuant to Governor Abbott's proclamation on March 20, 2020, the primary runoff election has been postponed from the May 26, 2020 date to July 14, 2020.

This calendar will cover the different changes to the election law calendar resulting from the postponed election date. Note that some dates will remain unchanged because they are based on the date of the primary election or the party conventions rather than the date of the runoff primary election.

2. Note on Campaign Information

Under Title 15 of the Texas Election Code, candidates running for office must file campaign contribution and expenditure reports. For further information and all questions about such disclosure filings, campaign finance, and political advertising, please contact the [Texas Ethics Commission](#) at 201 E. 14th, 10th Floor, Austin, Texas 78701; call 512-463-5800; or access their website. Candidates filing for federal offices should contact the [Federal Elections Commission](#) toll-free at 1-800-424-9530 or visit their website.

3. Note on Submissions to the U.S. Department of Justice

On June 25, 2013, the United States Supreme Court issued its decision in **Shelby County, Alabama v. Holder**, 133 S. Ct. 2612 (2013). That decision held that Section 4 of the federal Voting Rights Act of 1965 is unconstitutional and its formula can no longer be used as a basis for subjecting jurisdictions to preclearance. We suggest that Texas counties or other Texas political subdivisions discuss the effect of **Shelby** and the continuing applicability of other provisions of the Voting Rights Act with their legal counsel.

4. Note on Statutory and Administrative Code References

Unless otherwise indicated, all references are to the Texas Election Code. The county election officer is either the county clerk, the county elections administrator, or the county tax assessor collector, depending on the actions of the county commissioners court. (Secs. 31.031, 31.071 & 31.091). The county voter registrar is either the county clerk, the county elections administrator, or the county tax assessor collector, depending on the actions of the county commissioners court. (Secs. 12.001, 12.031, 31.031 & 31.071).

Any references to the Texas Administrative Code are cited to the relevant section of the "T.A.C."

5. Note on Notice of Elections

The county clerk must post a notice of election on or before the 21st day before the election. (Secs. 4.003(b), 172.1112). (**NOTE:** There is no requirement to publish notice of the primary or runoff primary elections in a newspaper, and the cost of any such publication will not be reimbursed with primary funds.) For the Tuesday, March 3, 2020 Primary Election, this notice must be posted on the county's website (or, if the county does not have a website, on the commissioners court bulletin board) on or before Tuesday, February 11, 2020. For the Tuesday, July 14, 2020 Runoff Primary Election, the notice must be posted on or before Tuesday, June 23, 2020.

This notice **must** include:

1. The type and date of the election;
2. The location of each polling place, including the street address, room number, and building name;
3. The hours the polls will be open;
4. The location of the main early voting polling place, including the street address, room number, and building name;
5. The regular dates and hours for early voting by personal appearance;
6. The dates and hours of any Saturday or Sunday early voting, if any; and
7. The early voting clerk's mailing address.

(Secs. 4.004, 83.010, 85.004, 85.007)

Note regarding branch early voting locations: The branch early voting locations are no longer a required part of the notice under the Texas Election Code. However, the early voting clerk must post a schedule stating the location of those branch early voting locations and the dates and hours that temporary branch voting will be conducted. That schedule must be posted on the county's website if the county has a website, otherwise it must be posted on the commissioners court bulletin board. (Secs. 4.004, 85.067, 85.068).

Notice for Consolidated Precincts. If precincts are to be consolidated for the election, a notice of consolidated precincts must also be posted and may be included on the Notice of Election. (Sec. 4.003, 172.1112).

Notice of Changed Polling Place: If a different polling place is being used from the previous election held by the same authority, notice must be posted at the entrance of the previous polling place informing voters of the current polling place location, if possible, no later than the day before election day. (Sec. 43.062).

Notice of Nearest Polling Places in Countywide Election (NEW LAW NOTE): HB 3965, as enacted by the 86th Legislature (2019), amended Section 43.007 to require counties who participate in the countywide polling place program to post a notice at EACH countywide polling place listing the four nearest locations to that polling place by driving distance.

NEW LAW NOTE: HB 1241, as enacted by the 86th Legislature (2019), adds Section 1.021, which requires that in any situation where the Election Code requires notice of a polling place location, the written notice must state the building name, if any, and the street address (including any suite or room number) of the polling place.

NEW LAW NOTE: HB 933, as enacted by the 86th Legislature (2019), amends Section 4.003(b) to require the county to post a copy of the election notice on the county's website, if the county maintains a

website. If the county does not maintain a website, then the county clerk will post a copy of the election notice on the bulletin board used for commissioners court meetings.

NEW LAW NOTE: HB 933, as enacted by the 86th Legislature (2019), amends Section 85.007 to require the notice of the early voting dates and hours that must be posted continuously for 72 hours before voting begins to be posted on the county's website. If the county does not maintain a website, then the county clerk will post a copy of the election notice on the bulletin board used for commissioners court meetings.

NEW LAW NOTE: HB 2640, as enacted by the 86th Legislature (2019), amended 172.1112 to require the county to post the notice of election and notice of consolidated precincts on the county's website if the county maintains a website. Under the prior version of the law, the notice was required to be posted on the party's website.

6. Note on Joint Primaries

In many Texas counties, the commissioners court, the county election officer, and the county chair of each political party holding a primary election in the county will sign a joint resolution agreeing to hold a joint primary. (Sec. 172.126(a)). Joint primary elections are held in approximately 40% of Texas counties, with the political parties sharing election equipment, polling places, and a team of election workers in each polling place composed of an even number of workers from each political party. (Sec. 172.126; 1 T.A.C. Ch. 81, Subch. G). The entries in this calendar are generally written in terms of primary elections being held separately rather than jointly. Unless indicated to the contrary, entries in this calendar are applicable whether a primary election is held separately or jointly. However, in a joint primary, the authority responsible for carrying out many of the activities associated with conducting an election will be the county election officer. (Sec. 172.126).

7. Note on Testing Tabulating and Electronic Voting Equipment

Note on Ballot Testing:

Once all candidate filing deadlines have passed, we recommend that you proof and test your ballot programming as soon as possible. Early testing will allow adequate time to locate any errors and make any necessary corrections in ballot programming. We also strongly suggest that you have candidates proof their names and offices before finalizing the ballot to avoid the necessity for last minute ballot corrections.

Note on Logic and Accuracy Test:

We recommend establishing a date to perform the first test of your electronic voting equipment (L&A, or Logic and Accuracy Test) as soon as possible. We recommend that this test be performed on a date that allows time to correct programming and retest, if necessary. A notice of this test must be published by the custodian of the electronic voting equipment at least 48 hours before the date of the test. That notice must be posted on the county's website if the county maintains a website, otherwise it must be posted on the commissioners court bulletin board. (Sec. 129.023; [Tex. Sec'y of State Election Advisory No. 2019-23](#)). Additionally, for a primary election, the custodian must notify the county chair of the test 48 hours prior to the test. The L&A test must be conducted not later than 48 hours before voting begins on a voting system. (Sec. 129.023).

Note on Testing Tabulating Equipment:

The automatic tabulating equipment used for counting ballots at a central counting station must be tested three times for each election. (Ch. 127, Subch. D). We recommend you test the equipment as soon as possible; early testing will allow adequate time to locate any errors and make any necessary corrections

in programming. However, the first test **must be conducted at least 48 hours before** the automatic tabulating equipment is used to count ballots voted in the election. The second test shall be conducted immediately before the counting of ballots with the equipment begins. The third test must be conducted immediately after the counting of ballots with the equipment is completed. Please note that the custodian of the automatic tabulating equipment must publish notice of the date, hour, and place of the first test in a newspaper at least 48 hours before the date of the test. Additionally, in a primary election, the custodian must notify the county chair 48 hours prior to the time of the test. (Sec. 127.096). The electronic files created from the L&A testing are what must be used for testing the tabulating equipment. ([Tex. Sec'y of State Election Advisory No. 2019-23](#))

Precinct tabulators must also be tested in accordance with the procedures set forth in Chapter 127, Subchapter D of the Texas Election Code to the extent those procedures can be made applicable. (Sec.127.152; [Tex. Sec'y of State Election Advisory No. 2019-23](#)).

Our recommendation is that both L&A testing and testing of the automatic tabulating equipment take place prior to ballots by mail being sent out. However, should there be a reason to delay testing, please be advised that L&A testing must be conducted at least 48 hours before voting begins on a voting system. This means that L&A testing should be completed before early voting and possibly, before election day, if your election day system is different than your early voting system. Additionally, the automatic tabulating equipment may not be used to count ballots voted in the election until a test is successful.

For more information on testing tabulating equipment used at the central counting station, please see Chapter 127, Subchapter D of the Election Code and [Tex. Sec'y of State Election Advisory No. 2019-23](#). See Chapter 129, Subchapter B of the Election Code and [Tex. Sec'y of State Election Advisory No. 2019-23](#) for other types of testing such as functionality tests, logic and accuracy tests, tests for central accumulators, etc. Please see [Tex. Sec'y of State Election Advisory No. 2019-23](#) for additional information regarding voting system equipment access, security and preservation, and chain of custody.

8. Note on Conventions of Parties Holding Primary Elections

Precinct Conventions

Time and Place. Section 174.022 of the Texas Election Code provides that precinct conventions may be held at a time and place determined by rules adopted by the state executive committee of a political party. If precinct conventions are held on general primary election day, the hour set for convening the conventions may not be earlier than 7:00 p.m. or later than 9:00 p.m., but a convention may not convene until the last voter has voted at the precinct polling place. If precinct conventions are held on a day other than general primary election day, the county executive committee must set the hour for convening or a time frame in which the convention must convene. (Secs. 174.021 & 174.022)

NEW LAW NOTE: HB 2640, as enacted by the 86th Legislature (2019), amends Section 174.021(b) to allow a political party to hold their precinct conventions during the county convention and at the same place as the county convention.

Notice Required: Section 174.023(a) requires the county chair to post a notice of the date, hour, and place for convening each precinct convention on the county or state party's Internet website or other Internet location easily found through a search engine. If the county party does not maintain an Internet website, the chair shall post the notice on the county commissioners court bulletin board. The notice must remain posted continuously for the 10 days immediately preceding the date of the convention. Because the convention times are not yet determined, this calendar does not show any deadlines for posting such notices. (Sec.174.023(b)).

NEW LAW NOTE: HB 2640, as enacted by the 86th Legislature (2019), repealed Section 174.023(b). The county chair is no longer required to deliver written notice to the county clerk of the date, time and place of each precinct convention by the 10th day before the date of the conventions.

County and Senatorial Conventions

Time and Place: Section 174.063(a) provides that the state executive committee by rule specifies the date the county and senatorial conventions will be held. Under Section 174.021 of the Texas Election Code, a political party may by rule allow a county to hold precinct conventions before or during the county convention on the same day and at the same place as the county convention.

NEW LAW NOTE: HB 2640, as enacted by the 86th Legislature (2019), amends Section 174.021(b) to allow a political party to hold their precinct conventions during the county convention and at the same place as the county convention.

Notice Required: Section 174.064(a) requires notice of the hour and date for convening each county convention to be posted electronically on the county or state party's Internet website or on the bulletin board used for posting notice of meetings of the commissioners court. The notice must remain posted continuously for the 10 days immediately preceding the date of the convention. Because the convention times are not yet determined, this calendar does not show any deadlines for posting such notices.

NEW LAW NOTE: HB 2640, as enacted by the 86th Legislature (2019), repealed Section 174.023(b). The county chair is no longer required to deliver written notice to the county clerk of the date, time and place of the county and senatorial district conventions by the 10th day before the date of the conventions.

State Conventions

Section 174.092(a) of the Texas Election Code provides that the biennial state convention must be convened on a date selected by the state executive committee. The state convention date is no longer limited to one in June or July. Section 174.092(b) of the Texas Election Code continues to provide that the state executive committee must set the date of the state convention not later than the date the state chair delivers to the county chairs the certification of names for placement on the primary election ballot. See entry at [Wednesday, December 19, 2020](#). Accordingly, this calendar does not show any deadline or time frame for holding the state convention. Notice of the date, hour, and place for convening the state convention must be posted by the state chair on the party's Internet website before the date of the party's precinct conventions under Section 174.093 of the Texas Election Code.

9. Note on Party Electoral Rules

Section 163.006(a) of the Texas Election Code provides that a rule on electoral affairs that is to become effective in a year in which the party will hold precinct conventions must be posted on the party's Internet website, as well as filed with Secretary of State, **not later than the 30th day before the date the party convenes its earliest precinct conventions**. It should be noted that the date of precinct conventions is no longer fixed by statute. (See [Note 7](#) above.) Accordingly, this calendar does not show any deadline for the posting or filing of such electoral rules.

10. Note on Accepting Voters with Certain Disabilities

Section 63.0015 provides that an election officer may accept a person with a mobility problem that substantially impairs a person's ability to ambulate who is offering to vote before accepting others offering to vote at the polling place who arrived **before** the person. "Mobility problem that substantially impairs a person's ability to ambulate" has the meaning assigned by Section 681.001, Transportation Code. A person assisting an individual with a mobility problem may also, at the individual's request,

be given voting order priority. Notice of the priority given to persons with a mobility problem that substantially impairs a person's ability to ambulate **shall** be posted:

- 1) at one or more locations in each polling place where it can be read by persons waiting to vote;
- 2) on the website of the Secretary of State **and**
- 3) on each website relating to elections maintained by a county

The notice required **must** read as follows:

"Pursuant to Section 63.0015, Election Code, an election officer may give voting order priority to individuals with a mobility problem that substantially impairs the person's ability to move around. A person assisting an individual with a mobility problem may also, at the individual's request, be given voting order priority. Disabilities and conditions that may qualify you for voting order priority include paralysis, lung disease, the use of portable oxygen, cardiac deficiency, severe limitation in the ability to walk due to arthritic, neurological, or orthopedic condition, wheelchair confinement, arthritis, foot disorder, the inability to walk 200 feet without stopping to rest, or use of a brace, cane, crutch, or other assistive device."

The **recommended** time to include this notice on a county website is when the Notice of Election is also posted on the website. Sec 85.007(d). See [Note](#) regarding Notice of Elections.

11. Note regarding faxed or emailed ABBMs and faxed FPCAs

Section 84.007(b-1) provides that if an ABBM is faxed or emailed or if an FPCA is faxed, then the applicant **must** submit the ORIGINAL application BY MAIL to the early voting clerk so that the early voting clerk **receives the original no later than the 4th business day after receiving the emailed or faxed ABBM or faxed FPCA**. If the early voting clerk does not receive the original ABBM or FPCA by that deadline, then the emailed or faxed ABBM or faxed FPCA will be considered incomplete. An original hardcopy ABBM received after the 4th business day deadline but received by the 11th day before election day would entitle the voter to receive a ballot for the election.

The early voting clerk should retain a copy of the FPCA for their own records, but should send the FPCA submitted by the voter to the Voter Registrar for registration purposes.

If a voter faxes or emails the ABBM or faxes the FPCA, the date the early voting clerk receives the FAX or EMAIL is considered the date of submission. Essentially, the faxed or emailed form serves as a placeholder for the voter.

Therefore, a voter whose application was faxed or emailed by the 11th day before election day (the deadline), and whose original application is received on or before the 4th business day after that date, would still be entitled to receive a ballot for the election (if otherwise eligible). The early voting clerk will have to hold the faxed or emailed ABBM or faxed FPCA until the clerk receives the original, and would only send the voter a ballot if the original is received by the 4th business day after the faxed or emailed ABBM or faxed FPCA was received. See [Tex. Sec'y of State Election Advisory No. 2018-02](#).

NOTE: The requirement to mail the original application does not apply to an **emailed** FPCA.

12. Note on Temporary Branch Polling Places (NEW LAW NOTE)

HB 1888, as enacted by the 86th Legislature (2019), amends Chapter 85 of the Election Code to modify the requirements for temporary branch polling places.

Early voting at any temporary branch polling location **MUST** be conducted on the same weekdays as the main early voting location and **MUST** remain open for eight hours each day it is open. (Sec 85.005 and 85.064)

NOTE for political subdivisions other than cities or counties - For political subdivisions with fewer than 1000 registered voters, who did not contract with the city or county to act as their early voting clerk, the temporary branch locations must be open for at least three hours each day. (Sec 85.005 and 85.064)

For most political subdivisions, this will require your temporary branch locations to be open on every weekday of the early voting period and for at least eight hours on each of those days.

HB 1888 also repeals Section 85.064(a) and (c) and Section 85.065. Those statutes provided different rules for populous counties (population over 100,000) as opposed to less populous counties (population under 100,000). Those distinctions have been removed. **The rules for temporary branch locations are the same for populous and less populous counties under the current version of the law.**

NOTE: Section 172.121 requires the state chair to certify runoff candidates for state or district offices by posting the candidates and their respective outcomes to the secretary of state's website.

NOTE: Section 172.084(a) requires that the order of candidates on the ballot for the runoff primary election be the same as the order of candidates on the ballot for the general primary election. As thus, a second ballot drawing for ballot order for the runoff primary election is not required.

NEW LAW NOTE: HB 2640, as enacted by the 86th Legislature (2019), amended Sections 67.017 and 172.124 to require this report to include all offices other than party offices in the precinct-by-precinct reports under this section. If the early voting clerk does not receive the original ABBM or FPCA by that deadline, then the emailed or faxed ABBM or faxed FPCA will be considered incomplete, and the early voting clerk may NOT send the applicant a ballot. The requirement to mail the original application does not apply to an **emailed** FPCA. For additional information, please see [Note 14](#), above.

If the voter is **not** registered in the county (and/or marked intent to return "not certain"), **the voter is still eligible for a ballot containing federal offices only**.
