Monthly voter registration and voter history files will be pulled using the attributes indicated on the form. If you would like to select a limited group of voters, a separate request form will need to be submitted.

- **$1,000** per month (prorated).

A convenience fee of **2.7%** will be added to the cost of your file if you pay using a debit or credit card. Your order will not be released until full payment is received.

If fulfilling the request would require additional data programming or manipulation, the Secretary of State will provide a statement of the estimated costs to produce the information in the requested form, as outlined in Section 552.231 of the Texas Government Code.
