INSTRUCTIONS

In order to appoint poll watchers under Section 33.005, Texas Election Code, the specific-purpose political committee has to be officially formed.

In an election on a measure, watchers may be appointed by the campaign treasurer or an assistant campaign treasurer of a specific-purpose political committee that supports or opposes the measure.

This section does not apply to a non-binding referendum measure submitted at a primary election.

A watcher appointed to serve at a precinct polling place, must deliver the following materials to the presiding judge at the time the watcher reports for service:

- (1) a certificate of appointment; and
- (2) a certificate of completion from training completed by the watcher under [Section 33.008]

The officer presented with a watcher's certificates shall require the watcher to countersign the certificate of appointment to ensure that the watcher is the same person who signed the certificate of appointment. A watcher who presents himself or herself at the proper time with the required certificates shall be accepted for service unless the person is ineligible to serve or the number of appointees to which the appointing authority is entitled have already been accepted.

A watcher may not be accepted for service if the watcher has possession of a device capable of recording images or sound unless the watcher agrees to disable or deactivate the device. The presiding judge may inquire whether a watcher has possession of any prohibited recording device before accepting the watcher for service.

If a watcher is not accepted for service, the certificates shall be returned to the watcher with a signed statement of the reason for the rejection.

On accepting a watcher for service, the election officer shall provide the watcher with a form of identification, prescribed by the secretary of state, to be displayed by the watcher during the watcher's hours of service at the polling place.

An election officer commits an offense if the officer intentionally or knowingly refuses to accept a watcher for service when acceptance of the watcher is required by this section. An offense under this subsection is a Class A misdemeanor.

Before accepting a watcher, the officer presented with a watcher's certificate of appointment shall require the watcher to take the following oath, administered by the officer: "I swear (or affirm) that I will not disrupt the voting process or harass voters in the discharge of my duties."
