

Name of Form:

Optional Carrier Insert on USPS Postmark Policy

Section Reference:

None

Purpose:

This is an optional carrier insert that may be included in the balloting materials sent to each voter who is sent a ballot by mail. This is designed to notify voters of USPS guidance relating to postmarks and to provide guidance on the recommended timeframes for returning a ballot by mail.

This is not a required form, but may be optionally included in the balloting materials when the early voting clerk sends them to a voter who will receive a ballot by mail.

Version:

Current form is dated 2/2026.
