Hello,

Pursuant to our authority to certify electronic pollbook systems under Election Code 31.014, we have reviewed your request for certification of the Knowink PollPad 4.2.1 system, an update from version 4.1.3 system certified on October 8, 2025.

Our office has reviewed your application and the Engineering Change Order Analysis Form from Pro V&V and has conducted targeted functional testing. Based on this review, our examiners determined that the system does not require additional examination and that a full certification review is not required.

We therefore formally approve the certification of the Knowink PollPad 4.2.1 system for use in Texas elections.

If you need additional information, please contact the Elections Division at 1-800-252-2216.

Sincerely,
