Dear Mr. Urban:

Pursuant to our authority to certify electronic pollbook systems under Election Code 31.014, we have reviewed your request for certification of the VR Systems EViD Edge 26.00.050.000 system.

Our office has reviewed your application materials and the testing lab report from Pro V&V showing completion of the Texas Technical Matrix for Electronic Pollbooks. In the course of the functional examination of your system, our examiners determined that your system satisfies the requirements outlined in the Texas Electronic Pollbook Functional Standards and the Texas Requirements for Electronic Pollbook Forms. Having reviewed those materials, we have concluded that your system meets the requirements for certification of an electronic pollbook system.

We therefore formally approve the certification of the VR Systems EViD Edge 26.00.050.000 system for use in Texas elections.

If you need additional information, please contact the Elections Division at 1-800-252-2216

Sincerely,
