

Figure: 19 TAC §228.15(d)(1)

PREP Traditional Route Requirements for Programs Seeking Approval (2027-2028 Only)

Requirement	TAC References	Description
<u>1. Prior approval to offer standard certification through clinical teaching</u>	<u>§228.11</u> <u>§228.15</u>	For 27-28 approval, the program must have <u>been previously approved to offer standard teaching certification via clinical teaching requirements through TAC, §228.11 (relating to initial approval) or TAC, §228.15 (relating to additional approvals).</u>
<u>2. Required PREP Training Content Integration</u>	<u>§228.31(d-e)</u> <u>§228.41(c)</u> <u>§228.57(f)(1-2)</u>	<u>Evidence of faculty certification:</u> The program must provide evidence that their instructors have been certified to deliver PREP required content. The program should provide the names of the instructors, their assigned courses, and proof of certification. <u>Attestations related to training content implementation:</u> Programs must attest that they will offer the required PREP training content to candidates by the <u>2027-2028 academic year.</u> <u>Initial plan for integration of the required content for the 2027-2028 academic year.</u>
<u>3. Governance</u>	<u>§228.25(e)</u>	<u>Attestations related to partnership and governance:</u> Programs must attest that they will comply with <u>updated governance requirements for the PREP Traditional route in TAC, §228.25(e).</u> They also must attest to at least one formal school system partnership beginning by 2027-2028.
