Texas Board of Nursing Disciplinary Matrix

In determining the appropriate disciplinary action, including the amount of any administrative fine/penalty to assess, the Board will consider the threat to public safety, the seriousness of the violation, and any aggravating or mitigating factors. The Board currently lists factors to be considered in Rule 213.33(c), published at 22 Tex. Admin. Code §213.33. The Matrix lists additional aggravating or mitigating factors that should be considered in addition to the factors listed in Rule 213.33. Further, any aggravating or mitigating factors that may exist in a particular matter, but which are not listed in this Matrix or Rule 213.33, may also be considered by the Board, pursuant to the Occupations Code Chapters 53 and 301. If multiple violations of the Nursing Practice Act (NPA) and/or Board rules are present in a single case, the most severe sanction recommended by the Matrix for any one of the individual offenses should be considered by the Board and SOAH. Further, the Board and SOAH must consider the requirements of Tex. Occ. Code §301.4531 in matters involving multiple violations or individuals with prior discipline.

The Board may assess administrative fines/penalties as outlined in 22 Tex. Admin. Code §213.32.

Further, although also not addressed by this Matrix, the Occupations Code §301.4521 authorizes the Board to require an individual to submit to an evaluation if the Board has probable cause to believe that the individual is unable to safely practice nursing due to physical impairment, mental impairment, chemical dependency/substance use disorder, or abuse/misuse of drugs or alcohol. Section 301.4521 also authorizes the Board to request an individual to submit to an evaluation for other reasons, such as reported unprofessional conduct, lack of good professional character, or prior criminal history. The Board's rules regarding evaluations are published at 22 Tex. Admin. Code §213.33.

This Matrix also applies to the determination of an individual's eligibility for licensure.
