Proposed Rule Reviews

Credit Union Department

The Texas Credit Union Commission will review and consider for re-adoption, revision, or repeal Chapter 91, §91.801 (Investments in Credit Union Service Organizations), §91.802 (Other Investments), §91.803 (Investment Limits and Prohibitions), §91.804 (Custody and Safekeeping), §91.805 (Loan Participation Investments), §91.808 (Reporting Investment Activities to the Board of Directors), §91.901 (Reserve Requirements), and §91.902 (Dividends).

This rule review will be conducted pursuant to Texas Government Code, §2001.039. The commission believes that the reasons for adopting the rules contained in this chapter continue to exist. The commission will accept written comments received on or before 5:00 p.m. central time on the 31st day after the date this notice is published in the Texas Register as to whether the reasons for adopting these rules continue to exist. The commission also invites comments on how to make these rules easier to understand. For example:

- Does the rule organize the material to suit your needs? If not, how could the material be better organized?
- Does the rule clearly state the requirements? If not, how could the rule be more clearly stated?
- Does the rule contain technical language or jargon that is not clear? If so, what language requires clarification?
- Would a different format (grouping and order of sections, use of headings, paragraphing) make the rule easier to understand? If so, what changes to the format would make the rule easier to understand?
- Would more (but shorter) sections be better in any of the rules? If so, what sections should be changed?

Each rule will also be reviewed to determine whether it is obsolete, whether the rule reflects current legal and policy considerations, and whether the rule reflects current procedures of the Credit Union Department.

Any questions or written comments pertaining to this notice should be directed to the Credit Union Department, 914 East Anderson Lane, Austin, Texas 78752-1699, or by email to cudmail@cud.texas.gov. Any proposed amendments as a result of the review will be published in the Texas Register in compliance with Texas Government Code, Chapter 2001, and will be open for an additional 31-day public comment period prior to final adoption or repeal by the commission.
