Commission on State Emergency Communications

Title 1, Part 12
The Commission on State Emergency Communications (CSEC) has concluded the statutory review of its Chapter 254 rules regarding Regional Poison Control Centers. Based on its review, CSEC readopts without amendment each of the rules in the chapter; specifically rules §254.1 - 254.4.

CSEC’s notice of intent to review its Chapter 254 rules was published in the June 7, 2019, issue of the Texas Register (44 TexReg 2853). The review assessed whether the reasons for originally adopting the rules continue to exist. CSEC reviewed each rule in Chapter 254 and determined that the original reason for justifying the rules continues to exist and is within the agency’s legal authority as certified by legal counsel.

No comments were received regarding CSEC’s notice of review. This notice concludes CSEC’s review of its Chapter 254 rules.
