NOTE 1: The Northlake Municipal Development District has the same boundaries as the Northlake extraterritorial jurisdiction, which includes the city of Northlake and a portion of the district annexed by the city of Northlake for limited purposes, which includes a strategic partnership with Belmont Fresh Water Supply District No. 1. Contact the district representative at 940-648-3290 for additional boundary information.

NOTE 2: The Ellis County Emergency Services District No. 9-A is the portion of the district located in the unincorporated portion of Ellis County that overlaps portions of the Palmer Municipal Development District, which has an SPD sales and use tax. Contact the district representative at 469-855-7762 for additional boundary information.

NOTE 3: The Kaufman County Emergency Services District No. 1-A is the portion of the district located in the unincorporated portion of Kaufman County that overlaps portions of the Kemp Municipal Development District, which has an SPD sales and use tax. Contact the district representative at 214-534-6123 for additional boundary information.

NOTE 4: The Ellis County Emergency Services District No. 1 is located in the eastern portion of Ellis County. The district excludes the cities of Maypearl and Venus for sales tax purposes. The unincorporated areas of Ellis County in ZIP Codes 75167, 76050, 76064, 76065 and 76084 are partially located in the district. Contact the district representative at 972-435-2411 for additional boundary information.

NOTE 5: The Ellis County Emergency Services District No. 9 is located in the north-central portion of Ellis County. The district excludes the cities of Palmer, Ennis and Garrett. The unincorporated areas of Ellis County in ZIP Codes 75119, 75125, 75152, 75154 and 75165 are partially located in the district. Contact the district representative at 469-855-7762 for additional boundary information.

NOTE 6: The Kaufman County Emergency Services District No. 1 is located in the southeastern portion of Kaufman County. The district excludes the cities of Kaufman, and for sales tax purposes, Oak Ridge and Post Oak Bend. The unincorporated areas of Kaufman County in ZIP Code 75142 are partially located in the district. Contact the district representative at 214-534-6123 for additional boundary information.

NOTE 7: The Montgomery County Emergency Services District No. 10-A is the portion of the district located in the unincorporated portion of Montgomery County that excludes any other taxing jurisdictions, including the cities of Magnolia and Stagecoach, the Westwood Magnolia Parkway Improvement Districts, the Audubon Management District and the Wood Trace Management District, which all have sales and use taxes. The unincorporated areas of Montgomery County in ZIP Codes 77316, 77354, 77355, 77362, 77382, 77384 and 77447, are partially located in the district. Contact the district representative at 713-984-9222 for additional boundary information.

Texas Council for Developmental Disabilities

Request for Applications: Choice-Making Among Youth Age 3-11: A Foundation for a Self-Determined Life

The Texas Council for Developmental Disabilities (TCDD) announces the availability of funds for activities to increase opportunities for children with developmental disabilities (DD), families, and others in a child's support network to learn and practice choice making skills. At all ages, children can make choices in their daily routine at home, school, when they play, and how they interact in the community. Choice making has most commonly been referred to as the "selection of an item or activity from an array of options at a particular moment in time". Mastering decision-making skills requires development and consistent practice, and individuals with disabilities too often have limited experience making choices. This initiative aims to develop and demonstrate effective strategies for fostering choice making skills in children aged 3 to 11, laying the groundwork for cultivating the skills of self-determination by the time they reach adolescence. The selection of these age groups is intended to supplement the education and training currently offered to students over the age of 14. Projects should include strategies to educate and train individuals as well as parents, teachers, and others in their support network and provide opportunities for individuals with DD to demonstrate choice making skills in daily routines.

TCDD has approved funding for one organization for up to three years. Funding is approved for up to \$300,000 each year. Funds available for this project are provided to TCDD by the Administration for Community Living (ACL), U.S. Department of Health and Human Services, with 100% federal funding pursuant to the Developmental Disabilities Assistance and Bill of Rights Act. Funding for the project is dependent on the results of a review process established by TCDD and on the availability of funds. Non-federal matching funds of at least 25% of total project costs are required for projects. Non-federal matching funds at a reduced rate of 10% of the total project costs are allowed for project activities conducted in federally designated poverty areas.

Additional information concerning this Request for Applications (RFA) and TCDD is available at <https://tcdd.texas.gov/grants/funding-available/>. All questions pertaining to this RFA should be directed in writing to TCDD via email at apply@tcdd.texas.gov.

Deadline: Proposals must be submitted electronically through the link provided on the TCDD website. Proposals are due by 11:59 p.m. on December 7, 2026. Proposals will not be accepted outside of this deadline.

Texas Commission on Environmental Quality

Agreed Orders

The Texas Commission on Environmental Quality (TCEQ, agency, or commission) staff is providing an opportunity for written public comment on the listed Agreed Orders (AOs) in accordance with Texas Water Code (TWC), §7.075. TWC, §7.075 requires that before the commission may approve the AOs, the commission shall allow the public an opportunity to submit written comments on the proposed AOs. TWC, §7.075 requires that notice of the proposed orders and the opportunity to comment must be published in the *Texas Register* no later than the 30th day before the date on which the public comment period closes, which in this case is **November 2, 2026**. TWC, §7.075 also requires that the commission promptly consider any written comments received and that the commission may withdraw or withhold approval of an AO if a comment discloses facts or considerations that indicate that consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the statutes and rules within the commission's jurisdiction or the commission's orders and permits issued in accordance with the commission's regulatory authority. Additional notice of changes to a proposed AO is not required to be published if those changes are made in response to written comments.

A physical copy of each proposed AO is available for public inspection at both the commission's central office, located at 12100 Park 35 Circle, Building C, 1st Floor, Austin, Texas 78753, (512) 239-2545 and at the applicable regional office listed as follows. Additionally, copies of the proposed AO can be found online by using either the Chief Clerk's eFiling System at <https://www.tceq.texas.gov/goto/efilings> or the TCEQ Commissioners' Integrated Database at <https://www.tceq.texas.gov/goto/cid>, and searching either of those databases with the proposed AO's identifying information, such as its docket number. Written comments about an AO should be sent to the enforcement coordinator designated for each AO at the commission's central office at Enforcement Division, MC 128, P.O. Box 13087, Austin, Texas 78711-3087 and must be postmarked by 5:00 p.m. on **November 2, 2026**. Written comments may also be sent to the enforcement coordinator by email to ENF-COMNT@tceq.texas.gov or by facsimile machine at (512) 239-2550. The commission enforcement coordinators are available to discuss the AOs and/or the comment procedure at the listed contact information; however, TWC, §7.075 provides that comments on the AOs shall be submitted to the commission in writing.

TRD-202604085

Gitanjali Yadav

Deputy Director, Litigation Division

Texas Commission on Environmental Quality

Filed: September 22, 2026

Combined Notice of Public Meeting and Notice of Application and Preliminary Decision for TPDES Permit for Industrial Wastewater Renewal Permit No. WQ0004297000

APPLICATION AND PRELIMINARY DECISION. JBM Project, LLC, 1501 South MoPac Expressway, Suite 220, Austin, Texas 78746, which operates Shafter Mine, an underground silver ore mining facility, has applied to the Texas Commission on Environmental Quality (TCEQ) for a renewal of Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0004297000, which authorizes the discharge of mine dewatering water at a daily average flow not to exceed 360,000 gallons per day via Outfall 001. The TCEQ received this application on December 10, 2025.

The facility is located at 97423 U.S. Highway 67, southwest of the City of Marfa, Presidio County, Texas 79843. This link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice. For the exact location, refer to the application.

<https://gisweb.tceq.texas.gov/LocationMapper/?marker=-104.307222,29.817777&level=18>

The effluent is discharged to an unnamed tributary, thence to Arroyo del Muerto, thence to Wilson Arroyo, thence to Rio Grande Below

Riverside Diversion Dam in Segment No. 2307 of the Rio Grande Basin. The unclassified receiving water uses are minimal aquatic life use for the unnamed tributary and Arroyo del Muerto. The designated uses for Segment No. 2307 are primary contact recreation, public water supply, and high aquatic life use.

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Presidio County Courthouse, 300 Highland Street, Marfa, in Presidio County, Texas. The application, including any updates, and associated notices are available electronically at the following webpage:

<https://www.tceq.texas.gov/permitting/wastewater/pending-permits/tpdes-applications>

ALTERNATIVE LANGUAGE NOTICE. Alternative language notice in Spanish is available at <https://www.tceq.texas.gov/permitting/wastewater/pending-permits/tpdes-applications>. El aviso de idioma alternativo en español está disponible en <https://www.tceq.texas.gov/permitting/wastewater/pending-permits/tpdes-applications>.

PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments about this application. The TCEQ will hold a public meeting on this application because it was requested by a local legislator.

The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. A public meeting will be held and will consist of two parts, an Informal Discussion Period and a Formal Comment Period. A public meeting is not a contested case hearing under the Administrative Procedure Act. During the Informal Discussion Period, the public will be encouraged to ask questions of the applicant and TCEQ staff concerning the permit application. The comments and questions submitted orally during the Informal Discussion Period will not be considered before a decision is reached on the permit application and no formal response will be made. Responses will be provided orally during the Informal Discussion Period. During the Formal Comment Period on the permit application, members of the public may state their formal comments orally into the official record. A written response to all timely, relevant and material, or significant comments will be prepared by the Executive Director. All formal comments will be considered before a decision is reached on the permit application. A copy of the written response will be sent to each person who submits a formal comment or who requested to be on the mailing list for this permit application and provides a mailing address. Only relevant and material issues raised during the Formal Comment Period can be considered if a contested case hearing is granted on this permit application.

The Public Meeting is to be held:

Tuesday, October 27, 2026 at 7:00 p.m.

Presidio High School (Cafeteria)

1000 E. Highway 170

Presidio, Texas 79845

Persons with disabilities who need special accommodations at the meeting should call the Office of the Chief Clerk at (512) 239-3300 or (800) RELAY-TX (TDD) at least five days prior to the meeting.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for public comments, the Executive Director will consider the comments and prepare a response to all relevant and material, or significant public comments. **The response to comments, along with the Executive Director's decision on the application, will be mailed to everyone who submitted public comments or who requested to be on a mailing list for this application. If comments are received, the mailing will also provide instructions for requesting a contested case hearing or reconsideration of the Executive Director's decision.** A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST: your name, address, phone number; applicant's name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

The Commission will only grant a contested case hearing on disputed issues of fact that are relevant and material to the Commission's decision on the application. Further, the Commission will only grant a hearing on issues that were raised in timely filed comments that were not subsequently withdrawn. **TCEQ may act on an application to renew a permit for discharge of wastewater without providing an opportunity for a contested case hearing if certain criteria are met.**

EXECUTIVE DIRECTOR ACTION. The Executive Director may issue final approval of the application unless a timely contested case hearing request or a timely request for reconsideration is filed. If a timely hearing request or request for reconsideration is filed, the Executive Director will not issue final approval of the permit and will forward the application and requests to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

MAILING LIST. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be added to: (1) the permanent list for a specific applicant name and permit number; and (2) the mailing list for a specific county. If you wish to be placed on the permanent and the county mailing list, clearly specify which list(s) and send your request to TCEQ Office of the Chief Clerk at the address below.

All written public comments and public meeting requests must be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, Texas 78711-3087 or electronically at <https://www14.tceq.texas.gov/epic/eComment/> within 30 days from the date of newspaper publication of this notice, or by the date of the public meeting, whichever is later.

INFORMATION AVAILABLE ONLINE. For details about the status of the application, visit the Commissioners' Integrated Database at <https://www14.tceq.texas.gov/epic/eCID/>. Search the database using the permit number for this application, which is provided at the top of this notice.

AGENCY CONTACTS AND INFORMATION. Public comments and requests must be submitted either electronically at <https://www14.tceq.texas.gov/epic/eComment/>, or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Please be aware that any contact information you provide, including your name, phone number, email address, and physical address will become part of the agency's public record. For more information about this permit application or the permitting process, please call the TCEQ Public Education Program, toll free, at (800) 687-4040 or visit their website at <https://www.tceq.texas.gov/agency/decisions/participation/participating-participation>. Si desea información en español, puede llamar al (800) 687-4040.

Further information may also be obtained from JBM Project, LLC at the address stated above or by calling Ms. Jessica Portmess, Attorney, at (720) 719-1301.

Notice and Comment Hearing Draft Permit No.: O3580

This is a notice for a notice and comment hearing on Federal Operating Permit Number O3580. During the notice and comment hearing informal questions on the Federal Operating Permit will be answered and formal comments will be received. The Texas Commission on Environmental Quality (TCEQ) has scheduled the notice and comment hearing regarding this application and draft permit as follows:

Date: October 8, 2026

Time: 7:00 p.m.

Location: Northshore Country Club

801 Broadway Blvd.

Portland, Texas

Location phone: (361) 643-1546

Application and Draft Permit. Corpus Christi Liquefaction, LLC, P.O. Box 162, Gregory, Texas 78359-0162, a Natural Gas Distribution facility, has applied to the TCEQ for a Renewal of Federal Operating Permit (herein referred to as permit) No. O3580, Application No. 38754 to authorize operation of the Corpus Christi Liquefaction. The area addressed by the application is located at off of State Highway 361, approximately 3 miles southeast of Gregory in Gregory, San Patricio County, Texas 78539. This application was received by the TCEQ on August 13, 2025.

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, will codify the conditions under which the site must operate. The TCEQ Executive Director recommends issuance of the draft permit. The purpose of a federal operating permit is to improve overall compliance with the rules governing air pollution control by clearly listing all applicable requirements, as defined in Title 30 Texas Administrative Code (30 TAC) §122.10. The permit will not authorize new construction or new emissions.

Notice and Comment Hearing. The hearing will be structured for the receipt of oral or written comments by interested persons. Registration and an informal discussion period with commission staff members will begin during the first 30 minutes. During the informal discussion period, the public is encouraged to ask questions and engage in open discussion with the applicant and the TCEQ staff concerning this application and draft permit. Issues raised during this discussion period will only be addressed in the formal response to comments if the issue is also presented during the hearing. After the conclusion of the informal discussion period, the TCEQ will conduct a notice and comment hearing regarding the application and draft permit. Individuals may present oral statements when called upon in order of registration. A reasonable time limit may be established at the hearing to assure that enough time is allowed for every interested person to speak. There will be no open discussion during the hearing. The purpose of this hearing will be to receive formal public comment which the TCEQ will consider in determining whether to revise and/or issue the permit and in determining the accuracy and completeness of the permit. Any person may attend this meeting and submit written or oral comments. The hearing will be conducted in accordance with the Texas Clean Air Act §382.0561, as codified in the Texas Health and Safety Code, and 30 TAC §122.340.

Persons who have special communication or other accommodation needs who are planning to attend the hearing should contact the TCEQ Public Education Program toll free at (800) 687-4040 or (800) RELAY-TX (TDD), at least five business days prior to the hearing.

Any person may also submit written comments before the hearing to the Texas Commission on Environmental Quality, Office of Chief Clerk, MC-105, P. O. Box 13087, Austin, Texas 78711-3087, or electronically at www14.tceq.texas.gov/epic/eComment/. Written comments should include (1) your name, address, and daytime telephone number, and (2) the draft permit number found at the top of this notice.

A notice of proposed final action that includes a response to comments and identification of any changes to the draft permit will be mailed to everyone who submitted: written comments and/or hearing requests, attended and signed in at the hearing, or requested to be on the mailing list for this application. This mailing will also provide instructions for public petitions to the U.S. Environmental Protection Agency (EPA) to request that the EPA object to the issuance of the proposed permit. After receiving a petition, the EPA may only object to the issuance of a permit which is not in compliance with applicable requirements or the requirements of 30 TAC Chapter 122.

Mailing List. In addition to submitting public comments, a person may ask to be placed on a mailing list for this application by sending a request to the TCEQ Office of the Chief Clerk at the address above. Those on the mailing list will receive copies of future public notices (if any) mailed by the Chief Clerk for this application.

Information. For additional information about this permit application or the permitting process, please contact the Texas Commission on Environmental Quality, Public Education Program, MC-108, P.O. Box 13087, Austin, Texas 78711-3087 or toll free at (800) 687-4040. General information about the TCEQ can be found at www.tceq.texas.gov. Si desea información en español, puede llamar al (800) 687-4040.

Further information may also be obtained for Corpus Christi Liquefaction, LLC by calling Craig Kondoff, Environmental Supervisor at (713) 375-6613.

Notice of an Application to Amend a Certificate of Adjudication Application No. 08-2388C

Notices Issued September 14, 2026

Trinity River Authority of Texas, 5300 S Collins St., Arlington, Texas 76018, seeks to amend its portion of Certificate of Adjudication No. 08-2388 to add mining and municipal purposes of use to the currently authorized water, to add a place of use for industrial, mining, and municipal purposes in those portions of Dallas, Freestone, Kaufman, Ellis, Henderson, Navarro, Anderson, Leon, Houston, Madison, Walker, Trinity, San Jacinto, and Polk counties within the Trinity River Basin, and to add a diversion reach on White Rock Creek and the Trinity River, Trinity River Basin. More information on the application and how to participate in the permitting process is given below.

The application was received on February 26, 2026, and partial fees were received on March 4, 2026. Additional information was received on May 27, 2026, and additional fees were received June 9, 2026. The application was declared administratively complete and filed with the Office of the Chief Clerk on June 16, 2026.

The Executive Director completed the technical review of the application and prepared a draft amendment. The draft amendment, if granted, would include special conditions including, but not limited to, streamflow restrictions. The application, technical memoranda, and Executive Director's draft amendment are available for viewing on the TCEQ webpage at: https://www.tceq.texas.gov/permitting/water_rights/wr-permitting/view-wr-pend-apps.

Alternatively, you may request a copy of the documents by contacting the TCEQ Office of the Chief Clerk by phone at (512) 239-3300 or by mail at TCEQ OCC, Notice Team (MC-105), P.O. Box 13087, Austin, Texas 78711.

Written public comments and requests for a public meeting should be submitted to the Office of the Chief Clerk, at the address provided in the information section below by September 29, 2026. A public meeting is intended for the taking of public comment and is not a contested case hearing. A public meeting will be held if the Executive Director determines that there is a significant degree of public interest in the application.

The TCEQ may grant a contested case hearing on this application if a written hearing request is filed by September 29, 2026. The Executive Director can consider an approval of the application unless a written request for a contested case hearing is filed by September 29, 2026. To request a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) applicant's name and permit number; (3) the statement "[I/we] request a contested case hearing;" (4) a brief and specific description of how you would be affected by the application in a way not common to the general public; and (5) the location and distance of your property relative to the proposed activity. You may also submit proposed conditions

for the requested permit which would satisfy your concerns. Requests for a contested case hearing must be submitted in writing to the Office of the Chief Clerk at the address provided in the information section below.

If a hearing request is filed, the Executive Director will not issue the permit and will forward the application and hearing request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

Written hearing requests, public comments, or requests for a public meeting should be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, Texas 78711-3087 or electronically at <https://www14.tceq.texas.gov/epic/eComment/> by entering ADJ 2388 in the search field. For information concerning the hearing process, please contact the Public Interest Counsel, MC 103, at the same address. For additional information, individual members of the general public may contact the Public Education Program at (800) 687-4040.

General information regarding the TCEQ can be found at our website at www.tceq.texas.gov. Si desea información en español, puede llamar al (800) 687-4040 o por el internet al <http://www.tceq.texas.gov>.

Notice of Application and Opportunity to Request a Public Meeting for a New Municipal Solid Waste Facility Proposed Registration No. 40351

Application. Daniels Sharpsmart, Inc. has applied to the Texas Commission on Environmental Quality (TCEQ) to construct and operate a Type V municipal solid waste medical waste processing facility. The proposed facility, Daniels Houston Facility, will be located at 5390 Greens Road, Houston, 77032, in Harris County, Texas. The applicant is requesting authorization to store, transfer, and treat municipal solid waste that includes medical waste as defined in 30 Texas Administrative Code §326.3(23), non-hazardous pharmaceuticals, trace chemotherapeutic waste, and confidential documents. The registration application is available for viewing and copying at the High Meadows Branch Library addressed at 4500 Aldine Mail Route Road, Houston, Texas. The application, including updates, is also available electronically at the following webpage: www.tceq.texas.gov/goto/wasteapps. The following link to an electronic map of the general location of the site or facility is provided as a public courtesy and is not part of the application or notice: <https://arcg.is/1HGvmv2>. For the exact location, refer to the application.

Alternative Language Notice / Aviso en idioma alternativo. Alternative language notice in Spanish is available at www.tceq.texas.gov/goto/wasteapps. El aviso en idioma alternativo en español está disponible en www.tceq.texas.gov/goto/wasteapps.

Public Comment / Public Meeting. You may submit public comments or request a public meeting on this application. The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. TCEQ holds a public meeting if the Executive Director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing. The Executive Director will review and consider all timely comments and requests for a public meeting submitted during the comment period. The comment period will end 30 calendar days after this notice is published unless a public

meeting is scheduled, in which case it will be extended to the date and time the public meeting closes. The Executive Director is not required to file a response to comments.

Executive Director Action. The Executive Director will review the application and issue a decision. If the Executive Director acts on an application, the Chief Clerk will mail or otherwise transmit notice of the action and an explanation of the opportunity to file a motion to overturn the Executive Director's decision.

Mailing List. If you submit public comments, you will be added to the mailing list for this application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. To be placed on the permanent and/or the county mailing list, clearly specify which list(s), and send your request to TCEQ Office of the Chief Clerk at the address below.

Information Available Online. For details about the status of the application, visit the Commissioners' Integrated Database (CID) at www.tceq.texas.gov/goto/cid. Once you have access to the CID using the above link, enter the registration number for this application, which is provided at the top of this notice.

Agency Contacts and Information. All public comments and requests must be submitted either electronically at www14.tceq.texas.gov/epic/eComment/ or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. Please be aware that any contact information you provide, including your name, phone number, email address, and physical address, will become part of the agency's public record.

For questions about the permitting process, please visit <https://www.tceq.texas.gov/agency/decisions/participation/permitting-participation> or contact the TCEQ's Public Education Program by email at pep@tceq.texas.gov or by phone, toll free, at (800) 687-4040. Para información en español, favor de llamar al (800) 687-4040.

For More Information. Further information may also be obtained by writing to the applicant's representative at Ms. Amy Hesseltine, P.E., Ardurra Group, Inc., 801 Navigation Blvd., Suite 300 or by calling (361) 883-1984.

Notice of Application and Public Hearing for an Air Quality Standard Permit for a Concrete Batch Plant with Enhanced Controls Proposed Air Quality Registration Number 184775

APPLICATION. Durocon, Inc., 411 East Jones Street, Lewisville, Texas 75057-2613 has applied to the Texas Commission on Environmental Quality (TCEQ) for an Air Quality Standard Permit for a Concrete Batch Plant with Enhanced Controls Registration Number 184775 to authorize the operation of two permanent concrete batch plants with enhanced controls. The facility is proposed to be located at the following driving directions: at the intersection of North US Highway 69 and County Road 4620, go east on County Road 4620 for approximately 0.6 miles and the site entrance will be on the left, Trenton, Fannin County, Texas 75490. This application is being processed in an

expedited manner, as allowed by the commission's rules in 30 Texas Administrative Code, Chapter 101, Subchapter J. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the application or notice. For exact location, refer to application. <https://gisweb.tceq.texas.gov/LocationMapper/?marker=-96.308716,33.421943&level=13>. This application was submitted to the TCEQ on July 23, 2026. The primary function of this plant is to manufacture concrete by mixing materials including (but not limited to) sand, aggregate, cement, and water. The executive director has determined the application was technically complete on August 25, 2026.

PUBLIC COMMENT / PUBLIC HEARING. Public written comments about this application may be submitted at any time during the public comment period. The public comment period begins on the first date notice is published and extends to the close of the public hearing. Public comments may be submitted either in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087, or electronically at www.tceq.texas.gov/epic/eComment/. Please be aware that any contact information you provide, including your name, phone number, email address and physical address will become part of the agency's public record.

A public hearing has been scheduled, that will consist of two parts, an informal discussion period and a formal comment period. During the informal discussion period, the public is encouraged to ask questions of the applicant and TCEQ staff concerning the application, but comments made during the informal period will not be considered by the executive director before reaching a decision on the permit, and no formal response will be made to the informal comments. During the formal comment period, members of the public may state their comments into the official record. **Written comments about this application may also be submitted at any time during the hearing.** The purpose of a public hearing is to provide the opportunity to submit written comments or an oral statement about the application. The public hearing is not an evidentiary proceeding.

The Public Hearing is to be held:

Wednesday, October 14, 2026, at 6:00 p.m.

Holiday Inn Express & Suites Bonham

1101 GK Reddy Avenue

Bonham, Texas 75418

RESPONSE TO COMMENTS. A written response to all formal comments will be prepared by the executive director after the comment period closes. The response, along with the executive director's decision on the application, will be mailed to everyone who submitted public comments and the response to comments will be posted in the permit file for viewing.

The executive director shall approve or deny the application not later than 35 days after the date of the public hearing, considering all comments received within the comment period, and base this decision on whether the application meets the requirements of the standard permit.

CENTRAL/REGIONAL OFFICE. The application will be available for viewing and copying at the TCEQ Central Office and the TCEQ Dallas/Fort Worth Regional Office, located at 2309 Gravel Drive, Fort Worth, Texas 76118-6951, during the hours of 8:00 a.m. to 5:00 p.m., Monday through Friday, beginning the first day of publication of this notice. The application, including any updates, is available electronically at the following webpage: <https://www.tceq.texas.gov/permitting/air/airpermit-applications-notices>.

INFORMATION. For more information about the permitting process, please call the TCEQ Public Education Program, Toll Free, at (800) 687-4040 or visit their website at www.tceq.texas.gov/goto/pep. Si desea información en español, puede llamar al (800) 687-4040. You can also view our website for public participation opportunities at www.tceq.texas.gov/goto/participation.

Further information may also be obtained from Durocon, Inc., 411 East Jones Street, Lewisville, Texas 75057-2613, or by calling Mr. Josh Butler, Environmental Services Manager, Elm Creek Environmental, LLC, at (469) 946-8195.

Notice of District Petition - D-03062026-019

Notice issued September 16, 2026

TCEQ Internal Control No. D-03062026-019: Cibolo Creek Municipal Authority of Bexar, Comal, and Guadalupe Counties (Authority) filed an application with the Texas Commission on Environmental Quality (TCEQ) for the authority to amend its land use assumptions and capital improvements plan, and to levy impact fees of \$3,416 per equivalent single-family connection for new connections to the wastewater treatment and collection systems within the North Side Basin service area and \$6,485 per equivalent single-family connection for new connections to the wastewater treatment system within the South Side Basin service area of the Authority. The Authority's service area boundaries are shown on the vicinity map that follows this notice and is marked as Exhibit "A." The Authority files this application under the authority of Chapter 395 of the Local Government Code, 30 Texas Administrative Code, Chapter 293, and the procedural rules of the TCEQ. The purpose of impact fees is to generate revenue to recover the costs of capital improvements or facility expansions made necessary by and attributable to serving new development in the Authority's service areas. At the direction of the Authority, a registered engineer has prepared a capital improvements plan (CIP) for the system that identifies the capital improvements or facility expansions

and their costs for which the impact fees will be assessed. The impact fee application and supporting information are available for inspection and copying during regular business hours in the Districts Section of the Water Supply Division, Third Floor of Building F (in the TCEQ Park 35 Office Complex located between Yager and Braker lanes on North IH-35), 12100 Park 35 Circle, Austin, Texas 78753. A copy of the impact fee application and supporting information, as well as the CIP, is available for inspection and copying at the Authority's office during regular business hours.

INFORMATION SECTION

To view the complete issued notice, view the notice on our website at www.tceq.texas.gov/agency/cc/pub_notice.html or call the Office of the Chief Clerk at (512) 239-3300 to obtain a copy of the complete notice. When searching the website, type in the issued date range shown at the top of this document to obtain search results. The TCEQ may grant a contested case hearing on the petition if a written hearing request is filed within 30 days after the newspaper publication of the notice. To request a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) the name of the Petitioner and the TCEQ Internal Control Number; (3) the statement "I/we request a contested case hearing"; (4) a brief description of how you would be affected by the petition in a way not common to the general public; and (5) the location of your property relative to the proposed District's boundaries. You may also submit your proposed adjustments to the petition. Requests for a contested case hearing must be submitted in writing to the Office of the Chief Clerk at the address provided in the information section below. The Executive Director may approve the petition unless a written request for a contested case hearing is filed within 30 days after the newspaper publication of this notice. If a hearing request is filed, the Executive Director will not approve the petition and will forward the petition and hearing request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. If a contested case hearing is held, it will be a legal proceeding similar to a civil trial in state district court. Written hearing requests should be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, Texas 78711-3087. For information concerning the hearing process, please contact the Public Interest Counsel, MC 103, at the same address. For additional information, individual members of the general public may contact the Districts Review Team, at (512) 239-4691. Si desea información en español, puede llamar al (512) 239-0200. General information regarding TCEQ can be found at our website at www.tceq.texas.gov.

Notice of District Petition - D-07012026-012

Notice issued September 11, 2026

TCEQ Internal Control No. D-07012026-012: HLH Properties, LLC, Texas limited liability company (the "Petitioner"), filed a petition for creation of The Grove Municipal Management District of Medina County (the "District") with the Texas Commission on Environmental Quality (TCEQ). The petition was filed pursuant to Article XVI, Section 59, Article III, Section 52, and Article III, Section 52-a, of the Texas Constitution, and Chapter 375, Texas Local Government Code; and the procedural rules of the TCEQ. The petition states that: (1) the Petitioner holds title to a majority in value of the land to be included

in the proposed District; (2) there is one lienholder, Prosperity Bank, as successor in interest to Texas Partners Bank, on the property to be included in the proposed District and the aforementioned entity has consented to the creation of the district; (3) the proposed District will contain approximately 135.003 acres of land, more or less, situated in Medina County, Texas; and (4) the land is not currently within the corporate limits or extraterritorial jurisdiction of any city. The petition further states that the proposed District will: (1) purchase, construct, acquire, maintain, own, operate, repair, improve and extend a waterworks and wastewater system for residential and commercial purposes; (2) construct, acquire, improve, extend, maintain, and operate works, improvements, facilities, plants, equipment, and appliances helpful or necessary to provide more adequate drainage for the proposed District; (3) control, abate, and amend local storm waters or other harmful excesses of water; and (4) purchase, construct, acquire, improve, maintain, and operate such additional facilities, systems, plants, and enterprises, and roads, as shall be consistent with all of the purposes for which the proposed District is created. According to the petition, a preliminary investigation has been made to determine the cost of the project, and it is estimated by the Petitioners, from the information available at this time, that the cost of said project will be approximately \$13,625,000 (including \$8,800,000 for water, wastewater, and drainage plus \$4,825,000 for road improvements).

INFORMATION SECTION

To view the complete issued notice, view the notice on our website at www.tceq.texas.gov/agency/cc/pub_notice.html or call the Office of the Chief Clerk at (512) 239-3300 to obtain a copy of the complete notice. When searching the website, type in the issued date range shown at the top of this document to obtain search results. The TCEQ may grant a contested case hearing on the petition if a written hearing request is filed within 30 days after the newspaper publication of the notice. To request a contested case hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) the name of the Petitioner and the TCEQ Internal Control Number; (3) the statement "I/we request a contested case hearing"; (4) a brief description of how you would be affected by the petition in a way not common to the general public; and (5) the location of your property relative to the proposed District's boundaries. You may also submit your proposed adjustments to the petition. Requests for a contested case hearing must be submitted in writing to the Office of the Chief Clerk at the address provided in the information section below. The Executive Director may approve the petition unless a written request for a contested case hearing is filed within 30 days after the newspaper publication of this notice. If a hearing request is filed, the Executive Director will not approve the petition and will forward the petition and hearing request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting. If a contested case hearing is held, it will be a legal proceeding similar to a civil trial in state district court. Written hearing requests should be submitted to the Office of the Chief Clerk, MC 105, TCEQ, P.O. Box 13087, Austin, Texas 78711-3087. Notice of District Petition - D-09012026-001

Notice issued September 15, 2026

TCEQ Internal Control No. D-09012026-001: Joseph H. Smesny and Andrea Smesny, co-trustees of the Joseph and Andrea Smesny Revocable Trust, 1960 LB, L.P., a Texas limited partnership, Hill Terra Development Corporation, a Texas corporation, and William Paul Connor, (Petitioners) filed a petition for creation of Liberty County Municipal Utility District No. 21 (District) with the Texas Commission on Environmental Quality (TCEQ). The petition was filed pursuant to Article XVI, §59 of the Constitution of the State of Texas; Chapters 49 and 54 of the Texas Water Code; 30 Texas Administrative Code Chapter 293; and the procedural rules of the TCEQ. The petition states that: (1) the Petitioners hold title to a majority in value of the land to be included in the proposed District; (2) there are no lienholders on the property to be included in the proposed District; (3) the proposed District will contain approximately 1,010.40 acres located within Liberty County, Texas; and (4) none of the land within the proposed District is within the corporate limits or extraterritorial jurisdiction of any city. The petition further states that the proposed District will: (1) purchase, design, construct, acquire, maintain, own, operate, repair, improve, and extend a waterworks and sanitary sewer system for residential purposes; (2) construct, acquire, improve, extend, maintain, and operate works, improvements, facilities, plants, equipment, and appliances helpful or necessary to provide more adequate drainage for the proposed District; (3) control, abate, and amend local storm waters or other harmful excesses of water and firefighting facilities; and (4) purchase, construct, acquire, maintain, own, operate, repair, improve, and extend such additional facilities, including roads, systems, plants, and enterprises, and firefighting facilities as shall be consistent with all of the purposes for which the proposed District is created. According to the petition, a preliminary investigation has been made to determine the cost of the project, and it is estimated by the Petitioners that the cost of said project will be approximately \$186,600,000 (\$131,600,000 for water, wastewater, and drainage plus \$55,000,000 for roads).

Notice of District Petition - D-09012026-003

Notice issued September 17, 2026

TCEQ Internal Control No. D-09012026-003: Joseph H. Smesny and Andrea Smesny, co-trustees of the Joseph and Andrea Smesny Revocable Trust, 1960 LB, L.P., a Texas limited partnership, Hill Terra Development Corporation, a Texas corporation, and William Paul Connor, (Petitioners) filed a petition for creation of Liberty County Municipal Management District No. 3 (District) with the Texas Commission on Environmental Quality (TCEQ). The petition was filed pursuant to Article XVI, Section 59 of the Constitution of the State of Texas; Chapter 375, Texas Local Government Code; Chapter 49 of the Texas Water Code; Title 30, Chapter 293 of the Texas Administrative Code; and the procedural rules of the TCEQ. The petition states that: (1) the Petitioners holds title to a majority in value of the land to be included in the proposed District; (2) there are no lienholders on the property to be included in the proposed District; (3) the proposed District will contain approximately 1,010.4 acres located within Liberty County, Texas; and (4) none of the land within the proposed District is within the corporate limits or extraterritorial jurisdiction of any city. The territory to be included in the proposed District is depicted in the vicinity map designated as Exhibit "A", which is attached to this document. The petition further states that the proposed District will: (1) purchase, design, construct, acquire, maintain, own, operate, repair, improve, and extend a waterworks and wastewater system for residential purposes; (2) construct, acquire, improve, extend, maintain, and operate works, improvements, facilities, plants, equipment, and appliances helpful or necessary to provide more adequate drainage for the proposed District; (3) control, abate, and amend local stormwaters or other harmful excesses of waters; and (4) purchase, construct, acquire, maintain, own, operate, repair, improve, and extend such additional facilities, including roads, systems, plants, and enterprises as shall be consistent with all of the purposes for which the proposed District is created. According to the petition, a preliminary investigation has been made to determine the cost of the project, and it is estimated by the Petitioners that the cost of said project will be approximately \$32,550,000 (\$15,900,000 for water, wastewater, and drainage, and \$16,650,000 for roads).

Texas Commission on Environmental Quality

Filed: September 21, 2026

Notice of Opportunity to Comment on a Default Order of Administrative Enforcement Actions

The Texas Commission on Environmental Quality (TCEQ or commission) staff is providing an opportunity for written public comment on the listed Default Order (DO). The commission staff proposes a DO when the staff has sent the Executive Director's Preliminary Report and Petition (EDPRP) to an entity outlining the alleged violations; the proposed penalty; the proposed technical requirements necessary to bring the entity back into compliance; and the entity fails to request a hearing on the matter within 20 days of its receipt of the EDPRP or requests a hearing and fails to participate at the hearing. Similar to the procedure followed with respect to Agreed Orders entered into by the executive director of the commission, in accordance with Texas Water Code (TWC), §7.075, this notice of the proposed order and the opportunity to comment is published in the *Texas Register* no later than the 30th day before the date on which the public comment period closes, which in this case is **November 2, 2026**. The commission will consider any written comments received, and the commission may withdraw or withhold approval of a DO if a comment discloses facts or considerations that indicate that consent to the proposed DO is inappropriate, improper, inadequate, or inconsistent with the requirements of the statutes and rules within the commission's jurisdiction, or the commission's orders and permits issued in accordance with the commission's regulatory authority. Additional notice of changes to a proposed DO is not required to be published if those changes are made in response to written comments.

A copy of the proposed DO is available for public inspection at both the commission's central office, located at 12100 Park 35 Circle, Building A, 3rd Floor, Austin, Texas 78753, (512) 239-3400 and at the applicable regional office listed as follows. Additionally, copies of the DO can be found online by using either the Chief Clerk's eFiling System at <https://www.tceq.texas.gov/goto/efilings> or the TCEQ Commission-

ers' Integrated Database at <https://www.tceq.texas.gov/goto/cid>, and searching either of those databases with the proposed DO's identifying information, such as its docket number. Written comments about the DO should be sent to the attorney designated for the DO at the commission's central office at P.O. Box 13087, MC 175, Austin, Texas 78711-3087 and must be **received by 5:00 p.m. on November 2, 2026**. The commission's attorneys are available to discuss the DO and/or the comment procedure at the listed phone number; however, TWC, §7.075, provides that comments on the DO shall be submitted to the commission in **writing**.

(1) COMPANY: WE Concrete LLC; DOCKET NUMBER: 2020-1107-WQ-E; TCEQ ID NUMBER: RN110937281; LOCATION: 3232 Meridiana Parkway, Rosharon, Brazoria County; TYPE OF FACILITY: a small construction site; PENALTY: \$2,100; STAFF ATTORNEY: Allison Alt, Litigation, MC 175, (512) 239-6944; REGIONAL OFFICE: Houston Regional Office, 5425 Polk Street, Suite H, Houston, Texas 77023-1452, (713) 767-3500.

Notice of Opportunity to Comment on an Agreed Order of Administrative Enforcement Actions

The Texas Commission on Environmental Quality (TCEQ or commission) staff is providing an opportunity for written public comment on the listed Agreed Order (AO) in accordance with Texas Water Code (TWC), §7.075. TWC, §7.075, requires that before the commission may approve the AO, the commission shall allow the public an opportunity to submit written comments on the proposed AO. TWC, §7.075, requires that notice of the opportunity to comment must be published in the *Texas Register* no later than the 30th day before the date on which the public comment period closes, which in this case is **November 2, 2026**. TWC, §7.075, also requires that the commission promptly consider any written comments received and that the commission may withdraw or withhold approval of an AO if a comment discloses facts or considerations that indicate that consent is inappropriate, improper, inadequate, or inconsistent with the requirements of the statutes and rules within the commission's jurisdiction or the commission's orders and permits issued in accordance with the commission's regulatory authority. Additional notice of changes to a proposed AO is not required to be published if those changes are made in response to written comments.

A physical copy of the proposed AO is available for public inspection at both the commission's central office, located at 12100 Park 35 Circle, Building A, 3rd Floor, Austin, Texas 78753, (512) 239-3400 and at the applicable regional office listed as follows. Additionally, copies of the proposed AO can be found online by using either the Chief Clerk's eFiling System at <https://www.tceq.texas.gov/goto/efilings> or the TCEQ Commissioners' Integrated Database at <https://www.tceq.texas.gov/goto/cid>, and searching either of those databases with the proposed AO's identifying information, such as its docket number. Written comments about an AO should be sent to the attorney designated for the AO at the commission's central office at P.O. Box 13087, MC 175, Austin, Texas 78711-3087 and must be **received by 5:00 p.m. on November 2, 2026**. The designated attorney is available to discuss the AO and/or the comment procedure at the listed phone number; however, TWC, §7.075, provides that comments on an AO shall be submitted to the commission in **writing**.

Notice of Public Hearing on Assessment of Administrative Penalties and Requiring Certain Actions of the Hisey Property Service Company SOAH Docket No. 582-27-00459 TCEQ Docket No. 2024-0201-MSW-E

The Texas Commission on Environmental Quality (TCEQ or the Commission) has referred this matter to the State Office of Administrative Hearings (SOAH). An Administrative Law Judge with the State Office of Administrative Hearings will conduct a public hearing via Zoom videoconference:

10:00 a.m. (CT)- October 8, 2026

To join the Zoom meeting via computer or smart device:

<https://soah-texas.zoomgov.com>

Meeting ID: 161 984 0712

Password: TCEQDC1

or

To join the Zoom meeting via telephone dial:

+1 (669) 254-5252

Meeting ID: 161 984 0712

Password: 5247869

The purpose of the hearing will be to consider the Executive Director's Preliminary Report and Petition mailed October 30, 2025, concerning assessing administrative penalties against and requiring certain actions of The Hisey Property Service Company, for violations in Williamson County, Texas, of: 30 TEX.ADMIN. CODE §330.15(a) and (c).

The hearing will allow The Hisey Property Service Company, the Executive Director, and the Commission's Public Interest Counsel to present evidence on whether a violation has occurred, whether an administrative penalty should be assessed, and the amount of such penalty, if any. The first convened session of the hearing will be to establish jurisdiction, afford The Hisey Property Service Company, the Executive Director of the Commission, and the Commission's Public Interest Counsel an opportunity to negotiate and to establish a discovery and procedural schedule for an evidentiary hearing. Unless agreed to by all parties in attendance at the preliminary hearing, an evidentiary hearing will not be held on the date of this preliminary hearing. **Upon failure of The Hisey Property Service Company to appear at the preliminary hearing or evidentiary hearing, the factual allegations in the notice will be deemed admitted as true, and the relief sought in the notice of hearing may be granted by default. The specific allegations included in the notice are those set forth in the Executive Director's Preliminary Report and Petition, attached hereto and incorporated herein for all purposes.** The Hisey Property Service Company, the Executive Director of the Commission, and the Commission's Public Interest Counsel are the only designated parties to this proceeding.

Legal Authority: TEX. WATER CODE §7.054, TEX. WATER CODE ch. 7, TEX. HEALTH & SAFETY CODE ch. 361, and 30 TEXAS ADMINISTRATIVE CODE chs. 70 and 330; Tex. Water Code §7.058, and the Rules of Procedure of the Texas Commission on Environmental Quality and the State Office of Administrative Hearings, including 30 Texas Administrative Code §§70.108 and 70.109 and ch. 80, and 1 Texas Administrative Code ch. 155.

Further information regarding this hearing may be obtained by contacting Allison Claire Alt, Staff Attorney, Texas Commission on Environmental Quality, Litigation Division, Mail Code 175, P.O. Box 13087, Austin, Texas 78711-3087, telephone (512) 239-3400. Information concerning your participation in this hearing may be obtained by contacting the Office of Public Interest Counsel, Mail Code 103, at the same P.O. Box address given above, or by telephone at (512) 239-6363.

Any document filed prior to the hearing must be filed with TCEQ's Office of the Chief Clerk and SOAH. Documents filed with the Office of the Chief Clerk may be filed electronically at www.tceq.texas.gov/goto/efilings or sent to the following address: TCEQ Office of the Chief Clerk, Mail Code 105, P.O. Box 13087, Austin, Texas 78711-3087. When contacting the Commission or SOAH regarding this matter, reference the SOAH docket number given at the top of this notice.

In accordance with 1 Texas Administrative Code §155.401(a), Notice of Hearing, "Parties that are not represented by an attorney may obtain information regarding contested case hearings on the public website of the State Office of Administrative Hearings at www.soah.texas.gov, or in printed format upon request to SOAH."

Persons who need special accommodations at the hearing should call the SOAH Docketing Department at (512) 475-3445, at least one week before the hearing.

Notice of Public Meeting for TPDES Permit for Industrial Wastewater New Permit No. WQ0005502000

APPLICATION. EPCOR NR Holdings Inc., 4801 University Boulevard, Suite 410, Round Rock, Texas 78665, which proposes to operate Bayshore Desalination Facility, a seawater desalination water treatment facility, has applied to the Texas Commission on Environmental Quality (TCEQ) for a new permit, Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0005502000, to authorize the discharge of water treatment waste and raw water at a daily average flow not to exceed 59,930,000 gallons per day via Outfall 001. The TCEQ received this application on October 3, 2025.

The facility will be located at 5501 State Highway 146, approximately 1.15 miles southeast of the intersection of State Highway 146 and Farm-to-Market Road 646, near Bacliff, in Galveston County, Texas 77518. This link to an electronic map of the site or facility's general location is provided as a public courtesy and is not part of the application or notice. For the exact location, refer to the application. <https://gisweb.tceq.texas.gov/LocationMapper/?marker=-94.97981,29.48702&level=18>.

The effluent will be discharged via Outfall 001 to the Houston Lighting and Power (HL&P) Canal, thence to Upper Galveston Bay in Segment No. 2421 of the Bays and Estuaries. The unclassified receiving water use is high aquatic life use for the HL&P Canal. The designated uses for Segment No. 2421 are primary contact recreation, high aquatic life use, and oyster waters.

In accordance with Title 30 Texas Administrative Code Section 307.5 and TCEQ's *Procedures to Implement the Texas Surface Water Quality Standards* (June 2010), an antidegradation review of the receiving waters was performed. A Tier 1 antidegradation review has preliminarily determined that existing water quality uses will not be impaired by this permit action. Numerical and narrative criteria to protect existing uses will be maintained. A Tier 2 review has preliminarily determined that no significant degradation of water quality is expected in HL&P cooling water canal or Upper Galveston Bay, which has been identified as having high aquatic life use. Existing uses will be maintained and protected. The preliminary determination can be reexamined and may be modified if new information is received.

The TCEQ Executive Director reviewed this action for consistency with the Texas Coastal Management Program (CMP) goals and policies in accordance with the regulations of the General Land Office and has determined that the action is consistent with the applicable CMP goals and policies.

The TCEQ Executive Director has completed the technical review of the application and prepared a draft permit. The draft permit, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements.

ALTERNATIVE LANGUAGE NOTICE. Alternative language notice in Spanish is available at <https://www.tceq.texas.gov/permitting/wastewater/pending-permits/tpdes-applications>. PUBLIC COMMENT / PUBLIC MEETING. A public meeting will be held and will consist of two parts, an Informal Discussion Period and a Formal Comment Period. A public meeting is not a contested case hearing under the Administrative Procedure Act. During the Informal Discussion Period, the public will be encouraged to ask questions of the applicant and TCEQ staff concerning the permit application. The comments and questions submitted orally during the Informal Discus-

sion Period will not be considered before a decision is reached on the permit application and no formal response will be made. Responses will be provided orally during the Informal Discussion Period. During the Formal Comment Period on the permit application, members of the public may state their formal comments orally into the official record. A written response to all timely, relevant and material, or significant comments will be prepared by the Executive Director. All formal comments will be considered before a decision is reached on the permit application. A copy of the written response will be sent to each person who submits a formal comment or who requested to be on the mailing list for this permit application and provides a mailing address. Only relevant and material issues raised during the Formal Comment Period can be considered if a contested case hearing is granted on this permit application.

The Public Meeting is to be held:

Tuesday, November 10, 2026 at 7:00 p.m.

Nessler Civic Center

Wings of Heritage Room

2010 5th Avenue N.

Texas City, Texas 77590

INFORMATION. Members of the public are encouraged to submit written comments anytime during the meeting or by mail before the close of the public comment period to the Office of the Chief Clerk, TCEQ, Mail Code MC-105, P.O. Box 13087, Austin, Texas 78711-3087 or electronically at www.tceq.texas.gov/goto/comment. If you need more information about the permit application or the permitting process, please call the TCEQ Public Education Program, Toll Free, at (800) 687-4040. *Si desea información en español, puede llamar (800) 687-4040.* General information about the TCEQ can be found at our website at <https://www.tceq.texas.gov>.

The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at the Dickinson Public Library, 4411 State Highway 3, Dickinson, in Galveston County, Texas. The application, including any updates, and associated notices are available electronically at the following webpage: <https://www.tceq.texas.gov/permitting/wastewater/pending-permits/tpdes-applications>.

Further information may also be obtained from EPCOR NR Holdings Inc. at the address stated above or by calling Ms. Rachel Watkins, Environmental Compliance Manager, at (512) 745-2095.

Persons with disabilities who need special accommodations at the meeting should call the Office of the Chief Clerk at (512) 239-3300 or (800) RELAY-TX (TDD) at least five business days prior to the meeting.

Notice of Public Meeting Notice Proposed Permit Number: 182733

APPLICATION. Space Exploration Technologies Corp., 858 Farm-to-Market Road 1209, Bastrop, Texas 78602-3172, has applied to the Texas Commission on Environmental Quality (TCEQ) for

issuance of Proposed Air Quality Permit Number 182733, which would authorize construction of Aluminum Furnaces located at 858 Farm-to-Market Road 1209, Bastrop, Bastrop County, Texas 78602. **AVISO DE IDIOMA ALTERNATIVO.** El aviso de idioma alternativo en español está disponible en <https://www.tceq.texas.gov/permitting/air/newsourcereview/airpermits-pendingpermit-apps>. This application was submitted to the TCEQ on January 16, 2026. The proposed facility will emit the following contaminants: carbon monoxide, hazardous air pollutants, nitrogen oxides, organic compounds, particulate matter including particulate matter with diameters of 10 microns or less and 2.5 microns or less, lead and sulfur dioxide.

The executive director has completed the technical review of the application and prepared a draft permit which, if approved, would establish the conditions under which the facility must operate. The executive director has made a preliminary decision to issue the permit because it meets all rules and regulations.

PUBLIC COMMENT/PUBLIC MEETING. You may submit public comments to the Office of the Chief Clerk at the address below. The TCEQ will consider all public comments in developing a final decision on the application. A public meeting will be held and will consist of two parts, an Informal Discussion Period and a Formal Comment Period. A public meeting is not a contested case hearing under the Administrative Procedure Act. During the Informal Discussion Period, the public will be encouraged to ask questions of the applicant and TCEQ staff concerning the permit application. The comments and questions submitted orally during the Informal Discussion Period will not be considered before a decision is reached on the permit application, and no formal response will be made. Responses will be provided orally during the Informal Discussion Period. During the Formal Comment Period on the permit application, members of the public may state their formal comments orally into the official record. At the conclusion of the comment period, all formal comments will be considered before a decision is reached on the permit application. A written response to all formal comments will be prepared by the executive director and will be sent to each person who submits a formal comment or who requested to be on the mailing list for this permit application and provides a mailing address. Only relevant and material issues raised during the Formal Comment Period can be considered if a contested case hearing is granted on this permit application.

The Public Meeting is to be held:

Thursday, October 15, 2026 at 7:00 p.m.

Jerry Fay Wilhelm Center for the Performing Arts Center

1401 Cedar Street

Bastrop, Texas 78602

INFORMATION. Members of the public are encouraged to submit written comments anytime during the public meeting or by mail before the close of the public comment period to the Office of the Chief Clerk, TCEQ, Mail Code MC-105, P.O. Box 13087, Austin, Texas 78711-3087 or electronically at <https://www14.tceq.texas.gov/epic/eComment/>. If you need more information about the permit application or the permitting process, please call the TCEQ Public Education Program, toll free, at (800) 687-4040. General information can be found at our website at www.tceq.texas.gov. *Si desea información en español, puede llamar al (800) 687-4040.*

INFORMATION AVAILABLE ONLINE. For details about the status of the application, visit the Commissioners' Integrated Database (CID) at www.tceq.texas.gov/goto/cid. Once you have access to the CID using the link, enter the permit number at the top of this form.

The permit application, executive director's preliminary decision, and draft permit will be available for viewing and copying at the TCEQ central office, the TCEQ Austin regional office, and the Bastrop Public Library, 1100 Church Street, Bastrop, Bastrop County, Texas. The facility's compliance file, if any exists, is available for public review at the TCEQ Austin Regional Office, 12100 Park 35 Circle, Building A, Room 179, Austin, Texas. The application, including any updates, is available electronically at the following webpage: <https://www.tceq.texas.gov/permitting/air/airpermit-applications-notices>.

Further information may also be obtained from Space Exploration Technologies Corp. at the address stated above or by calling Mr. Arturo Macedo, Environmental Engineer II at (512) 844-5187.

Persons with disabilities who need special accommodations at the meeting should call the Office of the Chief Clerk at (512) 239-3300 or (800) RELAY-TX (TDD) at least five business days prior to the meeting.

Notice of Water Quality Application - WQ0011913001 - Minor Amendment

The following notice was issued on September 15, 2026:

The following notice does not require publication in a newspaper. Written comments or requests for a public meeting may be submitted to

the Office of the Chief Clerk, Mail Code 105, P.O. Box 13087, Austin, Texas 78711-3087 WITHIN (30) DAYS FROM THE DATE THIS NOTICE IS MAILED.

INFORMATION SECTION

The Texas Commission on Environmental Quality has initiated a minor amendment of the Texas Pollutant Discharge Elimination System Permit No. WQ0011913001 issued to Northwest Freeway Municipal Utility District, to correct the daily average limit for ammonia-nitrogen in the existing permit. The existing permit authorizes the discharge of treated domestic wastewater at a daily average flow not to exceed 450,000 gallons per day. The facility is located at 17924 Bullis Gap Drive, in Harris County, Texas 77447.

General Land Office

Notice and Opportunity to Comment on Requests for Consistency Agreement/Concurrence Under the Texas Coastal Management Program

On January 10, 1997, the State of Texas received federal approval of the Coastal Management Program (CMP) (62 *Federal Register* pp. 1439 - 1440). Under federal law, federal agency activities and actions affecting the Texas coastal zone must be consistent with the CMP goals and policies identified in 31 TAC Chapter 26. Requests for federal consistency review were deemed administratively complete for the following project(s) during the period of September 12, 2026 to September 18, 2026. As required by federal law, the public is given an opportunity to comment on the consistency of proposed activities in the coastal zone undertaken or authorized by federal agencies. Pursuant to 31 TAC §§30.20(f), 30.30(h), and 30.40(e), the public comment period extends 30 days from the date published on the Texas General Land Office web site. The notice was published on the web site on Friday, September 25, 2026. The public comment period for this project will close at 5:00 p.m. on Sunday, October 25, 2026.

Federal License and Permit Activities:

Applicant: Port of Houston Authority

Location: The project site is located in Old River (San Jacinto River), south of Lost Lake Dredge Material Placement Area (DMPA), at the confluence of the Houston Ship Channel (HSC), and Old River, in Houston, Harris County, Texas.

Latitude and Longitude: 29.766616, -95.095595

Project Description: The applicant proposes to expand an existing barge fleet facility within the confluence of the HSC and Old River (San Jacinto River). The project will include hydraulically or mechanically dredging approximately 570,000 cubic yards of dredged material from 28.5 acres of Old River to a proposed depth of -13.5 feet mean lower low water, plus 1.0-foot of allowable overdredge, and the installation of up to 50 mono-pile dolphins and/or deadmen for the mooring and breasting of barges within the proposed expanded barge fleet area. Dredge material will be placed into upland contained private DMPAs including East/West Jones, Adloy, Beltway 8 Tract, Stimson Tract, House Tract, Clinton, Laughlin-Thyssen, Greens Bayou, Pinto Lion (Houston Placement Area), Peggy Lake, Lost Lake, Alexander Island, and Spilman Island, depending on capacity and availability. The applicant's purpose is to create (expand) a barge fleet and staging facility within the upper channel to relieve barge congestion and logistical issues resulting from insufficient regional capacity of the HSC.

The applicant has stated that they have avoided and minimized environmental impacts to waters of the United States associated with the proposed activity by designing the project to avoid and minimize impacts to waters of the U.S., including wetlands, to the greatest extent practicable, while still achieving the needs and purpose of the project. Proposed impacts to wetlands or other special aquatic sites have been avoided.

The applicant proposes to avoid the discharge of fill into open waters by placing fill material into upland confined placement areas. The proposed project involves work within a previously disturbed area that is part of a much larger industrial waterbody with high levels of turbidity and degraded environmental value. The applicant has not proposed any compensatory mitigation because adverse impacts to the aquatic environment are not anticipated. The USACE will determine the type and amount of compensatory mitigation necessary to offset losses of waters of the United States which may result from the proposed activity in accordance with 33 CFR § 332.

Type of Application: U.S. Army Corps of Engineers permit application # SWG-2016-00441. This application will be reviewed pursuant Section 404 of the Clean Water Act and Section 10 of the Rivers and Harbors Act of 1899. Note: The consistency review for this project may be conducted by The Texas Commission on Environmental Quality as part of its certification under §401 of the Clean Water Act.

CMP Project No: 27-1011-F1

Applicant: Zipline International Inc.

Location: The Houston metropolitan area

Project Description: Zipline is seeking to amend its air carrier Operation Specifications (OpSpecs) and other Federal Aviation Administration (FAA) approvals necessary to begin commercial drone package delivery operations in the Houston Texas metro area. Zipline would primarily construct on existing infrastructure, such as parking lots or the sides of buildings. Zipline is proposing to conduct operations 24 hours a day, 7 days per week, including holidays, using its Zipline unmanned aircraft (UA). The Houston metro area would have 30 - 65 Zipline Chargers, 600 - 1,300 Zipline Dropboxes (i.e., pick up kiosks), and a maximum of 30,000 - 65,000 deliveries and 195,000 transits per day. Each Charger would contain up to a maximum of 72 individual "docks" with charging capability, but most Chargers would have around 36 docks; all docks may not be occupied at any one time. Each Dropbox would have loading capability, where payloads from partners would be received and autonomously retrieved by the Zipline UA.

Approximately 95% of flights would take place during 7:00 a.m. to 10:00 p.m. and 5% of flights would take place during 10:00 p.m. to 7:00 a.m. For each delivery, a Zipline UA would undock from a Charger, fly to a Dropbox to pick up a package, make a delivery, and return to a Charger (not necessarily the same Charger from which it undocked). Zipline UAs are capable of flying up to 20 miles between charges, so each round trip (including all three flights) would be no greater than 20 miles. The estimated total distance flown for deliveries would vary depending upon the Charger, Dropbox, and delivery locations. Charger and Dropbox locations would be determined through partner agreements and market demand; deliveries would likely be distributed throughout the service area of individual Chargers and Dropboxes and would remain within the defined operating areas. In the event that Chargers are installed with overlapping service areas, Zipline would not exceed 1,000 total deliveries per day in the area of overlap. Each delivery would include three transits, but for each delivery a maximum of two transits would fly over any one location on the ground; as a result, there would be no greater than 2,000 maximum transits per day over any ground location in the area of overlap. Zipline UAs would primarily be transporting consumer goods, food and beverages, and pharmaceuticals in partnership with merchants (including pharmacies) in the communities they already serve and would provide an alternative to in-store pick up.

Type of Application: Federal Aviation Administration Draft Environmental Assessment.

CMP Project No: 27-1013-F1

Further information on the applications listed above, including a copy of the consistency certifications or consistency determinations for inspection, may be obtained from the Texas General Land Office Public Information Officer at 1700 N. Congress Avenue, Austin, Texas 78701, or via email at pialegal@glo.texas.gov. Comments should be sent to the Texas General Land Office Coastal Management Program Coordinator at the above address or via email at federal.consistency@glo.texas.gov.

Texas Health and Human Services Commission

Public Notice: Texas Medicaid State Plan Amendment to make Changes to the Peer Specialist Services Medicaid Benefit

The Texas Health and Human Services Commission (HHSC) announces its intent to submit transmittal number 26-0012 to the Texas State Plan for Medical Assistance, under Title XIX of the Social Security Act.

The purpose of this amendment is to secure the review and approval of an amendment, Transmittal Number (TN) 26-0012, to the Texas State Plan for Medical Assistance under Title XIX of the Social Security Act.

The proposed amendment to extend the age of eligibility for the Peer Specialist Services Medicaid benefit to individuals 14 through 20 years of age who meet the clinical criteria is effective December 1, 2026. Currently, the Peer Specialist Services Medicaid benefit is available to individuals 21 years of age and older who have a mental health or substance use condition and who have peer specialist services included as a component of their plan of care. Other non-substantive updates have been made to formatting and language.

The proposed amendment is estimated to result in an annual aggregate cost-savings of (\$68,830) for federal fiscal year 2027, consisting of (\$40,369) in federal funds and (\$28,461) in state general revenue. For federal fiscal year 2028, the estimated annual aggregate cost-savings is (\$96,401), consisting of (\$56,838) in federal funds and (\$39,563) in state general revenue. For federal fiscal year 2029, the estimated annual aggregate cost-savings is (\$100,996), consisting of (\$59,587) in federal funds and (\$41,408) in state general revenue.

To obtain copies of the proposed amendment, interested parties may contact Jayasree Sankaran, State Plan Coordinator, by mail at the Health and Human Services Commission, P.O. Box 13247, Mail Code H-600, Austin, Texas 78711; by telephone at (512) 438-4331; or by email at Medicaid_Chip_SPA_Inquiries@hhsc.state.tx.us. The Access and Eligibility Services for local benefit offices will post this notice for 30 days and will have copies of the amendment available for review.

Request for Proposals Collard Street Conceptual Design Engineering

The North Central Texas Council of Governments (NCTCOG) is requesting written proposals from consultant firms to conduct a high-level engineering analysis along Collard Street from Lancaster Avenue to Avenue A near Texas Wesleyan University (TWU) in Fort Worth. The firm will be asked to develop conceptual design plans that provide concepts for seamless connections from the analysis area to Rosedale Street on the south and integrate with the upcoming reconstruction of East Lancaster Avenue.

NCTCOG will be releasing this Request for Proposals (RFP) on **Friday, October 2, 2026**, in the Bidnet Direct system and will accept electronic submissions through the Bidnet Direct system only. The Bidnet Direct submittal will count as the official submittal. Proposals must be submitted in Bidnet Direct no later than **5:00 p.m., Central Time, on Friday, October 30, 2026**. Proposals received after that time will not be accepted.

NCTCOG does not discriminate on the basis of age, race, color, religion, sex, national origin, or disability.

James Murphy

General Counsel

Texas Parks and Wildlife Department

Filed: September 23, 2026

Office of Public Utility Counsel

Notice of Annual Public Hearing

Pursuant to the Public Utility Regulatory Act, Texas Utilities Code § 13.064, the Office of Public Utility Counsel (OPUC) will conduct its annual public hearing in person, virtually, and via toll-free conference call on:

October 13, 2026, from 1:30 - 3:30 p.m.

OPUC represents residential and small commercial consumers, as a class, in electric, water, wastewater, and telecommunication utility cases and state agency rulemakings in Texas. The meeting will include presentations from OPUC, experts, and key industry stakeholders. Members of the public are welcome to attend and learn about OPUC, how OPUC has advocated for residential and small commercial consumers this past year, and how state government oversees these public utilities and hear directly from utility providers. Those in attendance

will be provided an opportunity to offer public comments and ask questions during the meeting.

Attend in person:

Texas State Capitol

Legislative Conference Center (Room E2.002)

1100 Congress Avenue

Austin, Texas 78701

or

Join via Microsoft Teams Live Event Meeting:
