Office of the Attorney General

Notice of Update to the Landowner's Bill of Rights

(Editor's note: In accordance with Texas Government Code, §2002.014, which permits the omission of material which is "cumbersome, expensive, or otherwise inexpedient," the Landowner's Bill of Rights is not included in the print version of the Texas Register. The figure is available in the on-line version of the October 10, 2025, issue of the Texas Register.)

The Office of the Attorney General of Texas intends to revise the Landowner's Bill of Rights, found on the Office's website, and is publishing the proposed changes in the *Texas Register* for 30 days so that the Office may accept public comment regarding the proposed statement.

Pursuant to section 402.031 of the Texas Government Code, the Attorney General is required to maintain on its website a written statement of the rights of property owners whose real property may be acquired through an entity's use of eminent domain authority. The Office of the Attorney General intends to revise and update the Landowner's Bill of Rights as indicated herein and will accept public comment on the proposed changes.

House Bill 2011 was passed by the 89th Legislature on June 1, 2025, and signed by Governor Greg Abbott on June 20, 2025. H.B. 2011, which became effective on September 1, 2025, amended several sections of chapter 21, subchapter E of the Texas Property Code. The bill allows individuals to repurchase their property that had been acquired through eminent domain if the acquiring entity is obligated to pay property taxes for the acquired property and has received a tax bill for the property but has failed to pay any property taxes within three years upon which the unpaid taxes become due. H.B. 2011 also adds requirements relating to notice to and by individuals eligible to repurchase the acquired property and allows the former landowner to inquire about, and obtain information regarding, property taxes on the acquired property.

The proposed update explains the repurchase opportunity established by H.B. 2011. In doing so, the proposed update incorporates language mirroring existing repurchase opportunities. Other non-substantive changes include a revision to the date of the document and a translation of the addenda accompanying the Spanish version of the Landowner's Bill of Rights.

Written comments regarding changes to the Landowner's Bill of Rights may be directed to: Wesley S. Williams, Assistant Attorney General, Office of the Attorney General, P.O. Box 12548, MC-066, Austin, Texas 78711-2548, faxed to his attention at (512) 320-0911, or emailed to wesley.williams@oag.texas.gov. Written comments must be received within 30 days of publication of this notice to be considered.

In granting termination of licenses, the Department has determined that the licensee has complied with the applicable decommissioning requirements of 25 TAC, Chapter 289. In granting exemptions to the licensing requirements of Chapter 289, the Department has determined that the exemption is not prohibited by law and will not result in a significant risk to public health and safety and the environment.

Texas Department of Insurance, Division of Workers' Compensation

Adopted Fiscal Year 2026 Research Agenda

Workers' Compensation Research and Evaluation Group

Introduction

The commissioner of workers' compensation considers the Fiscal Year (FY) 2026 Research Agenda for the Workers' Compensation Research and Evaluation Group (REG) at the Texas Department of Insurance, Division of Workers' Compensation (DWC).

Texas Labor Code §405.0026 requires the REG to prepare a research agenda each year for the commissioner to review, approve, and publish in the *Texas Register*.

Labor Code §405.0025 requires the REG to conduct professional studies and research related to how effectively the workers' compensation system operates.

DWC published the proposed research agenda in the August 15, 2025, issue of the *Texas Register* (50 TexReg 5377) and sought public review and comment. DWC received four comments and no requests for a public hearing.

Order

It is ordered that the FY 2026 Research Agenda for the Workers' Compensation Research and Evaluation Group is adopted as follows:

1. Completion and publication of the 18th Edition of the Workers' Compensation Health Care Network Report Card (required under Insurance Code §1305.502(a)(d) and Labor Code §405.0025(b)).
2. An update of medical costs and utilization in the Texas workers' compensation system.
3. An update of return-to-work outcomes for injured employees, including an examination of Texas injured employees' initial and sustained return-to-work rates and wage-recovery rates.

The REG will consider expanding the scope of the research projects or conducting more projects to accommodate stakeholder suggestions, subject to the resources and data available.
