PUBLIC COMMENT / PUBLIC MEETING. You may submit public comments or request a public meeting about this application. The TCEQ will hold a public meeting on this application because it was requested by a local legislator.

The purpose of a public meeting is to provide the opportunity to submit comments or to ask questions about the application. A public meeting will be held and will consist of two parts, an Informal Discussion Period and a Formal Comment Period. A public meeting is not a contested case hearing under the Administrative Procedure Act. During the Informal Discussion Period, the public will be encouraged to ask questions of the applicant and TCEQ staff concerning the permit application. The comments and questions submitted orally during the Informal Discussion Period will not be considered before a decision is reached on the permit application and no formal response will be made. Responses will be provided orally during the Informal Discussion Period. During the Formal Comment Period on the permit application, members of the public may state their formal comments orally into the official record. A written response to all timely, relevant and material, or significant comments will be prepared by the Executive Director. All formal comments will be considered before a decision is reached on the permit application. A copy of the written response will be sent to each person who submits a formal comment or who requested to be on the mailing list for this permit application and provides a mailing address. Only relevant and material issues raised during the Formal Comment Period can be considered if a contested case hearing is granted on this permit application.

The Public Meeting is to be held:

Tuesday, January 5, 2027, at 7:00 p.m.

Lilies Event Center

301 Tanger Road, Suite No. 210

Terrell, Texas 75160

Persons with disabilities who need special accommodations at the meeting should call the Office of the Chief Clerk at (512) 239-3300 or (800) RELAY-TX (TDD) at least five business days prior to the meeting.

OPPORTUNITY FOR A CONTESTED CASE HEARING. After the deadline for submitting public comments, the Executive Director will consider all timely comments and prepare a response to all relevant and material or significant public comments. **Unless the application is directly referred for a contested case hearing, the response to comments will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting a contested case hearing or reconsideration of the Executive Director's decision.** A contested case hearing is a legal proceeding similar to a civil trial in a state district court.

TO REQUEST A CONTESTED CASE HEARING, YOU MUST INCLUDE THE FOLLOWING ITEMS IN YOUR REQUEST: your name, address, phone number; applicant's name and proposed permit number; the location and distance of your property/activities relative to the proposed facility; a specific description of how you would be adversely affected by the facility in a way not common to the general public; a list of all disputed issues of fact that you submit during the comment period; and the statement "[I/we] request a contested case hearing." If the request for contested case hearing is filed on behalf of a group or association, the request must designate the group's representative for receiving future correspondence; identify by name and physical address an individual member of the group who would be adversely affected by the proposed facility or activity; provide the information discussed above regarding the affected member's location and distance from the facility or activity; explain how and why the member would be affected; and explain how the interests the group seeks to protect are relevant to the group's purpose.

Following the close of all applicable comment and request periods, the Executive Director will forward the application and any requests for reconsideration or for a contested case hearing to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

The Commission may only grant a request for a contested case hearing on issues the requestor submitted in their timely comments that were not subsequently withdrawn. **If a hearing is granted, the subject of a hearing will be limited to disputed issues of fact or mixed questions of fact and law relating to relevant and material water quality concerns submitted during the comment period.**

EXECUTIVE DIRECTOR ACTION. The Executive Director may issue final approval of the application unless a timely contested case hearing request or request for reconsideration is filed. If a timely hearing request or request for reconsideration is filed, the Executive Director will not issue final approval of the permit and will forward the application and request to the TCEQ Commissioners for their consideration at a scheduled Commission meeting.

MAILING LIST. If you submit public comments, a request for a contested case hearing or a reconsideration of the Executive Director's decision, you will be added to the mailing list for this specific application to receive future public notices mailed by the Office of the Chief Clerk. In addition, you may request to be placed on: (1) the permanent mailing list for a specific applicant name and permit number; and/or (2) the mailing list for a specific county. Department of Family and Protective Services

DFPS Rule Review Plan

The Texas Department of Family and Protective Services (DFPS) reviews its rules in Title 40, Part 19, of the Texas Administrative Code at least every four years, according to the schedule below and Texas Government Code §2001.039.

During this review, DFPS program staff with guidance from the Office of General Counsel, will assess whether the reasons for initially adopting the rules continue to exist. DFPS will submit to the Texas Register "Notices of Proposed Rule Reviews" in accordance with the timeline promulgated below. This initiates a 30-day public comment period limited to the scope of whether the reasons for initially adopting the rules continue to exist.

If DFPS determines that the rules should continue to exist, DFPS will consider any public comments, and re-adopt the rules by publishing the Adopted Rule Review in the *Texas Register*. If amendments are identified, DFPS will begin amending the rules through separate rulemaking with additional opportunities for public comment. As part of this separate subsequent rulemaking process, DFPS will classify each rule's statutory authority and regulatory burden and identify opportunities to simplify rules and reduce costs or inconvenience while preserving public protection and legal requirements.

All new rules adopted after the approval of this Rule Review Plan will be added to the next four-year cycle to be reviewed no later than four years after the rules' effective date.

The Rule Review Plan below is DFPS's timeline to review and assess whether the reasons for initially adopting the rules continue to exist.

Notice and Opportunity to Comment on Requests for Consistency Agreement/Concurrence Under the Texas Coastal Management Program

On January 10, 1997, the State of Texas received federal approval of the Coastal Management Program (CMP) (62 *Federal Register* pp. 1439 - 1440). Under federal law, federal agency activities and actions affecting the Texas coastal zone must be consistent with the CMP goals and policies identified in 31 TAC Chapter 26. Requests for federal consistency review were deemed administratively complete for the following project(s) during the period of November 2, 2026 to November 6, 2026. As required by federal law, the public is given an opportunity to comment on the consistency of proposed activities in the coastal zone undertaken or authorized by federal agencies. Pursuant to 31 TAC §§30.20(f), 30.30(h), and 30.40(e), the public comment period extends 30 days from the date published on the Texas General Land Office web site. The notice was published on the web site on Friday, November 13, 2026. The public comment period for this project will close at 5:00 p.m. on Sunday, December 13, 2026.

Federal License and Permit Activities:

Applicant: Aransas County

Location: The project site is located at the confluence of Cedar Bayou and the Gulf of America in Aransas and Calhoun Counties, Texas.

Latitude and Longitude: 28.0653658, -96.8507257

Project Description: The applicant proposes to modify the existing permit to include a new upland dredge management placement area (DMPA). In addition, the applicant requests a 10-year maintenance dredging permit. Dredging would be conducted using mechanical methods (clamshell, excavator bucket) or with small-scale, excavator mounted dredge pump/cutterhead attachments. The dredging footprint would be within the existing permitted area and dredging events are expected to produce less than 100,000 cubic yards (CY) of dredge material. The project is estimated to require less than 10 maintenance dredging events over a 10-year period. The precise locations of dredging events would be dependent on locations of sediment accumulation within the permitted dredge footprint. Sediments removed during dredging events would be placed within a new 25-acre upland DMPA to be constructed on Matagorda Island adjacent to Cedar Bayou. The proposed 25-acre upland DMPA would be fully contained within an approximate 1,435-foot-long by 775-foot-wide area and would include a perimeter containment berm measuring up to 11 feet high with side slopes between 3 and 4 feet horizontal to 1 foot vertical. If hydraulic methods are used during dredging, effluent return water would be transported out of the DMPA via a weir structure and into an existing drainage swale that flows into Cedar Bayou. Sediments removed during dredging events would be transported to the new DMPA via truck during mechanical dredging events or pipeline during hydraulic dredging events via an approximate 1.5 acre, 3,200-foot-long by 20-foot-wide temporary timber mat access route. Approximately 0.31 acres of palustrine emergent wetlands would be temporarily impacted by the construction access route. Access to the dredging project area would be via existing roadways on Matagorda Island and previously approved access routes atop crane mats or similar. No waterborne equipment or marine access through Cedar Bayou is proposed during dredging events.

The applicant has stated that they have avoided and minimized environmental impacts to waters of the United States associated with the proposed activity by avoiding permanent impacts to special aquatic sites entirely, and effects of the temporary timber mat access route have been limited to approximately 0.31 acre of palustrine wetland. Texas Health and Human Services Commission

Public Notice - Methodology for Determining Caseload Reduction Credit for the Temporary Assistance for Needy Families (TANF) Program for Federal Fiscal Year 2027

The Texas Health and Human Services Commission (HHSC) announces its intent to seek comments from the public on its estimate and methodology for determining the Temporary Assistance for Needy Families (TANF) Program caseload reduction credit for Federal Fiscal Year (FFY) 2027. HHSC will base the methodology on caseload reduction occurring from FFY 2015 to FFY 2026. This methodology and the resulting estimated caseload reduction credit will be submitted for approval to the United States Department of Health and Human Services, Administration for Children and Families.

Section 407(b)(3) of the Social Security Act provides for a TANF caseload reduction credit, which gives a state credit for reducing its TANF caseload between a base year and a comparison year. To receive the credit, a state must complete and submit a report that, among other things, describes the methodology and the supporting data that the state used to calculate its caseload reduction estimates. See 45 C.F.R. §261.41(b)(5). Prior to submitting the report, the state must provide the public with an opportunity to comment on the estimate and methodology. See 45 C.F.R. §261.41(b)(6).

As the state agency that administers the TANF program in Texas, HHSC believes it is eligible for a caseload reduction credit and has developed the requisite estimate and methodology. HHSC hereby notifies the public of the opportunity to submit comments.

HHSC will post the methodology and the estimated caseload reduction credit on the HHSC website for FFY 2027 at https://www.hhs.texas.gov/about/records-statistics/data-statistics/temporary-assistance-needy-families-tanf-statistics by November 27, 2026. The public comment period begins November 27, 2026 and ends December 11, 2026.

For federal fiscal year 2028, the estimated annual aggregate fee-for-service expenditure is $1,871,004, consisting of $1,101,273 in federal funds and $769,731 in state general revenue. For federal fiscal year 2029, the estimated annual aggregate fee-for-service expenditure is $1,871,004, consisting of $1,101,273 in federal funds and $769,731 in state general revenue.

Further detail on specific reimbursement rate changes is available on the HHSC Provider Finance Department (PFD) website under the proposed effective date at http://pfd.hhs.texas.gov/rate-packets.

A rate hearing will be held on December 11, 2026, at 9:00 a.m. CST in Austin, Texas. Youth Empowerment Services (YES) Waiver Application Public Notice

The Texas Health and Human Services Commission (HHSC) is submitting a request to the Centers for Medicare & Medicaid Services (CMS) to amend the Youth Empowerment Services (YES) waiver application. HHSC administers the YES Program under the authority of §1915(c) of the Social Security Act. CMS has approved the YES waiver application through March 31, 2028. The proposed effective date for the amendment is April 19, 2027.

The amendment request proposes to update the YES waiver application to align with CMS revised 1915(c) Home and Community-Based Services (HCBS) Waiver Application and Technical Guide released by CMS in December 2024. Additional changes will be made to update Texas Administrative Code (TAC) references and clarify language throughout to align with existing TAC. The amendment will update Appendix B, C, and D.

The updates are as follows:

Appendix B: Participant Access and Eligibility

HHSC revised language to clarify existing policy related to discharge planning and transitions for individuals including transitioning to adult services. (B-1 c)

HHSC selected the Medicaid eligibility groups: Parents and Other Caretaker Relatives, Pregnant Women, and Infants and Children under Age 19 and removed these groups from the "other specified groups section." Eligibility groups who access the YES waiver program did not change.

HHSC clarified that the participant must have serious emotional disturbance as the principal admitting diagnosis. (B-6 d: eligibility criteria E)

Appendix C: Participant Services

HHSC indicated services that are allowed via remote/telehealth delivery and updated the corresponding service definitions to include the following: remote monitoring activities, privacy rights and safeguards, back-up plans, equipment and placement, and participant control and access.

Services impacted by the remote/telehealth delivery language are Community Living Supports (CLS), Employment Assistance, Family Supports, Paraprofessional services, and Specialized Therapies (Art therapy, nutritional counseling, music therapy, and recreational therapy).

HHSC made the following changes to align with current policy:

Added clarifying language to service limits and provider qualifications that respite can't be provided at the same time as CLS. Specified the CLS service may be provided in home or clinically appropriate community settings excluding a service providers residence and clarified that CLS in some cases can be offered in a group setting with peers to promote socialization skills.

Clarified in the CLS service and specialized therapies service description that art therapy, music therapy, and recreational therapy service delivery option excludes telephone-only or audio-only delivery.

To align with the new 3.7 waiver application CMS changes HHSC made the following changes:

Added the case managers regulatory requirements for both person-centered planning and HCBS settings to describe the Wraparound trainings required of case managers. (C-1 c)

Populated the new Remote/Telehealth Delivery of Waiver Services section. These changes describe in-person requirements, how individual privacy is respected, community integration policies, what is expected for successful delivery of services for persons who need hands on assistance/physical assistance, technology support, and what is expected for ensuring individual health and safety. (C-1 d)

Removed language about the legally authorized representative signing a form related to the provision of services. (C-2 e)

Checked the new checkbox to indicate that HCBS services may not be provided while an individual is an acute care hospital. (C-2 g)

Provided information in the new Home and Community-Based Settings section, to provide a description of the settings in which the YES services are received; description of the means by which HHSC ascertains that all waiver settings meet federal HCBS setting requirements; and that the waiver does not include provider-owned or controlled settings. (C-5)

Appendix D: Participant-Centered Planning and Service Delivery

To align with the new 3.7 waiver application CMS changes, HHSC made the following changes:

Added the case manager regulatory requirements for both person-centered planning and HCBS settings to describe the wraparound training required of case managers. (D-1 a)

Added additional clarification about how a provider is determined to be the only willing and qualified entity based on HHSC approval process. (D-1 b)

Added language about how services can be provided to address a safety concern that requires immediate intervention prior to the service plan being updated. HHSC also added language about the process to hold a wraparound team meeting to update the service plan within 30 days. (D-1 d i)

Checked the boxes that assure compliance with the service plan HCBS settings requirements and to confirm that HHSC has established safeguards to mitigate the potential for conflict of interest in monitoring of service plan implementation, and participant health and welfare.

Updated the frequency of provider monitoring reviews from annual to biennial. (D-1 g)

General

Throughout the amendment, HHSC updated references about provider oversight from DFPS to HHSC as applicable and made non-substantive grammatical changes.

YES Overview

The YES waiver program is designed to provide home and community-based services to children and youth with serious emotional disturbances and their families, with a goal of reducing or preventing children's inpatient psychiatric treatment and the consequent removal from their families. The program currently serves eligible children who are at least three years of age and under 19 years of age.

Services in the YES waiver program are adaptive aids and supports, community living supports, respite (in-home and out of home), supported employment, non-medical transportation, family supports, employment assistance, supportive family-based alternatives, minor home modifications, paraprofessional services, specialized therapies, and transitional services.

To obtain a free copy of the proposed waiver amendment, ask questions, or obtain additional information about the amendment, please contact Basundhara Raychaudhuri by U.S. mail, telephone, or email at the addresses and numbers below. The Texas Lottery Retailer shall verify the claim and, if valid, and upon presentation of proper identification, if appropriate, make payment of the amount due the claimant and physically void the Scratch Ticket; provided that the Texas Lottery Retailer may, but is not required, to pay a $25.00, $50.00, $100 or $500 Scratch Ticket Game. In the event the Texas Lottery Retailer cannot verify the claim, the Texas Lottery Retailer shall provide the claimant with a claim form and instruct the claimant on how to file a claim with the Texas Lottery. If the claim is validated by the Texas Lottery, a check shall be forwarded to the claimant in the amount due. In the event the claim is not validated, the claim shall be denied, and the claimant shall be notified promptly. A claimant may also claim any of the above prizes under the procedure described in Section 2.3.B and Section 2.3.C of these Game Procedures.

B. To claim a "GEM 7s" Scratch Ticket Game prize of $1,000 or $100,000, the claimant must sign the winning Scratch Ticket and may present it at one of the Texas Lottery's Claim Centers. If the claim is validated by the Texas Lottery, payment will be made to the bearer of the validated winning Scratch Ticket for that prize upon presentation of proper identification. When paying a prize of $600 or more, the Texas Lottery shall file the appropriate income reporting form with the Internal Revenue Service (IRS) and shall withhold federal income tax at a rate set by the IRS if required. In the event that the claim is not validated by the Texas Lottery, the claim shall be denied, and the claimant shall be notified promptly.

C. As an alternative method of claiming a "GEM 7s" Scratch Ticket Game prize, the claimant may submit the signed winning Scratch Ticket and a thoroughly completed claim form via mail. Mail all to: Texas Lottery, P.O. Box 16600, Austin, Texas 78761-6600. The Texas Lottery is not responsible for Scratch Tickets lost in the mail. In the event that the claim is not validated by the Texas Lottery, the claim shall be denied, and the claimant shall be notified promptly.

D. Prior to payment by the Texas Lottery of any prize, the Texas Lottery shall deduct the amount of a delinquent tax or other money from the winnings of a prize winner who has been finally determined to be:

3. in default on a loan guaranteed under Chapter 57, Education Code; or

4. delinquent in child support payments in the amount determined by a court or a Title IV-D agency under Chapter 231, Family Code.

E. If a person is indebted or owes delinquent taxes to the State, other than those specified in the preceding paragraph, the winnings of a person shall be withheld until the debt or taxes are paid.

2.4 Allowance for Delay of Payment. The Texas Lottery may delay payment of the prize pending a final determination by the Executive Director, under any of the following circumstances:

A. if a dispute occurs, or it appears likely that a dispute may occur, regarding the prize;

B. if there is any question regarding the identity of the claimant;

C. if there is any question regarding the validity of the Scratch Ticket presented for payment; or

D. if the claim is subject to any deduction from the payment otherwise due, as described in Section 2.3.D of these Game Procedures. No liability for interest for any delay shall accrue to the benefit of the claimant pending payment of the claim.

2.5 Payment of Prizes to Persons Under 18. If a person under the age of 18 years is entitled to a cash prize under $600 from the "GEM 7s" Scratch Ticket Game, the Texas Lottery shall deliver to an adult member of the minor's family or the minor's guardian a check or warrant in the amount of the prize payable to the order of the minor.

All Scratch Ticket prizes must be claimed within 180 days following the end of the Scratch Ticket Game or within the applicable time period for certain eligible military personnel as set forth in Texas Government Code §466.408. Any rights to a prize that is not claimed within that period, and in the manner specified in these Game Procedures and on the back of each Scratch Ticket, shall be forfeited.

2.8 Disclaimer. The number of prizes in a game is approximate based on the number of Scratch Tickets ordered. The number of actual prizes available in a game may vary based on number of Scratch Tickets manufactured, testing, distribution, sales and number of prizes claimed. A Scratch Ticket Game may continue to be sold even when all the top prizes have been claimed.

3.0 Scratch Ticket Ownership.

A. Until such time as a signature is placed upon the back portion of a Scratch Ticket in the space designated, a Scratch Ticket shall be owned by the physical possessor of said Scratch Ticket. When a signature is placed on the back of the Scratch Ticket in the space designated, the player whose signature appears in that area shall be the owner of the Scratch Ticket and shall be entitled to any prize attributable thereto. Notwithstanding any name or names submitted on a claim form, the Executive Director shall make payment to the player whose signature appears on the back of the Scratch Ticket in the space designated. If more than one name appears on the back of the Scratch Ticket, the Executive Director will require that one of those players whose name appears thereon be designated by such players to receive payment.

B. The Texas Lottery shall not be responsible for lost or stolen Scratch Tickets and shall not be required to pay on a lost or stolen Scratch Ticket.
